21 application for hospitalization. Application for hospitalization on behalf  
22 of a minor who is under fifteen years of age and who is a ward of the

25 filed with the court by the agency having custody of the minor; except  
26 that such an application for hospitalization may be made under emergency  
27 circumstances requiring immediate hospitalization, in which case the

1 agency shall file a petition for appointment of a guardian ad litem within  
2 seventy-two hours after application for admission is made, and the court  
3 shall appoint a guardian ad litem forthwith. Procedures for  
4 hospitalization of such minor may proceed pursuant to this section once  
5 a petition for appointment of a guardian ad litem has been filed, if  
6 necessary. Whenever such application for hospitalization is made, an  
7 independent professional person shall interview the minor and conduct a  
8 careful investigation into the minor's background, using all available  
9 sources, including, but not limited to, the parents or legal guardian and  
10 the school and any other social agencies. Prior to admitting a minor for  
11 hospitalization, the independent professional person shall make the  
12 following findings:

13 (a) That the minor has a mental illness and is in need of  
14 hospitalization;

15 (b) That a less restrictive treatment alternative is inappropriate or  
16 unavailable; and

17 (c) That hospitalization is likely to be beneficial.

18 ~~(3.2)~~ (4) An interview and investigation by an independent  
19 professional person shall not be required for a minor who is fifteen years  
20 of age or older and who, upon the recommendation of his or her treating  
21 professional person, seeks voluntary hospitalization with the consent of  
22 his or her parent or legal guardian. In order to assure that the minor's  
23 consent to such hospitalization is voluntary, the minor shall be advised,  
24 at or before the time of admission, of his or her right to refuse to sign the  
25 admission consent form and his or her right to revoke his or her consent  
26 at a later date. If a minor admitted pursuant to this ~~subsection (3.2)~~  
27 SUBSECTION (4) subsequently revokes his or her consent after admission,

1 a review of his or her need for hospitalization pursuant to ~~subsection (3.3)~~  
2 SUBSECTION (5) of this section shall be initiated immediately.

3 ~~(3.3)~~ (5) (a) The need for continuing hospitalization of all  
4 voluntary patients who are minors shall be formally reviewed at least  
5 every two months. Review pursuant to this ~~subsection (3.3)~~ SUBSECTION  
6 (5) shall fulfill the requirement specified in section 19-1-115 (8), C.R.S.,  
7 when the minor is fifteen years of age or older and consenting to  
8 hospitalization.

9 (b) The review shall be conducted by an independent professional  
10 person who is not a member of the minor's treating team; or, if the minor,  
11 his or her physician, and the minor's parent or guardian do not object to  
12 the need for continued hospitalization, the review required pursuant to  
13 this ~~subsection (3.3)~~ SUBSECTION (5) may be conducted internally by the  
14 hospital staff.

15 (c) The independent professional person shall determine whether  
16 the minor continues to meet the criteria specified in ~~subsection (3.1)~~  
17 SUBSECTION (3) of this section and whether continued hospitalization is  
18 appropriate and shall at least conduct an investigation pursuant to  
19 ~~subsection (3.1)~~ SUBSECTION (3) of this section.

20 (d) Ten days prior to the review, the patient representative at the  
21 mental health facility shall notify the minor of the date of the review and  
22 shall assist the minor in articulating to the independent professional  
23 person his or her wishes concerning continued hospitalization.

24 (e) Nothing in this section shall be construed to limit a minor's  
25 right to seek release from the facility pursuant to any other provisions  
26 under the law.

27 ~~(3.4)~~ (6) Every six months the review required pursuant to

1 ~~subsection (3.3)~~ SUBSECTION (5) of this section shall be conducted by an  
2 independent professional person who is not a member of the minor's  
3 treating team and who has not previously reviewed the child pursuant to  
4 ~~subsection (3.3)~~ SUBSECTION (5) of this section.

5 ~~(3.5)~~ (7) (a) When a minor does not consent to or objects to  
6 continued hospitalization, the need for such continued hospitalization  
7 shall, within ten days, be reviewed pursuant to ~~subsection (3.3)~~  
8 SUBSECTION (5) of this section by an independent professional person  
9 who is not a member of the minor's treating team and who has not  
10 previously reviewed the child pursuant to this ~~subsection (3.5)~~  
11 SUBSECTION (7). The minor shall be informed of the results of such  
12 review within three days of completion of such review. If the conclusion  
13 reached by such professional person is that the minor no longer meets the  
14 standards for hospitalization specified in ~~subsection (3.1)~~ SUBSECTION (3)  
15 of this section, the minor shall be discharged.

16 (b) If, twenty-four hours after being informed of the results of the  
17 review specified in paragraph (a) of this ~~subsection (3.5)~~ SUBSECTION (7),  
18 a minor continues to affirm the objection to hospitalization, the minor  
19 shall be advised by the director of the facility or his or her duly appointed  
20 representative that the minor has the right to retain and consult with an  
21 attorney at any time and that the director or his or her duly appointed  
22 representative shall file, within three days after the request of the minor,  
23 a statement requesting an attorney for the minor or, if the minor is under  
24 fifteen years of age, a guardian ad litem. The minor, his or her attorney,  
25 if any, and his or her parent, legal guardian, or guardian ad litem, if any,  
26 shall also be given written notice that a hearing upon the recommendation  
27 for continued hospitalization may be had before the court or a jury upon

1 written request directed to the court pursuant to paragraph (d) of this  
2 ~~subsection (3.5)~~ SUBSECTION (7).

3 (c) Whenever the statement requesting an attorney is filed with the  
4 court, the court shall ascertain whether the minor has retained counsel,  
5 and, if he or she has not, the court shall, within three days, appoint an  
6 attorney to represent the minor, or if the minor is under fifteen years of  
7 age, a guardian ad litem. Upon receipt of a petition filed by the guardian  
8 ad litem, the court shall appoint an attorney to represent the minor under  
9 fifteen years of age.

10 (d) The minor or his or her attorney or guardian ad litem may, at  
11 any time after the minor has continued to affirm his or her objection to  
12 hospitalization pursuant to paragraph (b) of this ~~subsection (3.5)~~  
13 SUBSECTION (7), file a written request that the recommendation for  
14 continued hospitalization be reviewed by the court or that the treatment  
15 be on an outpatient basis. If review is requested, the court shall hear the  
16 matter within ten days after the request, and the court shall give notice to  
17 the minor, his or her attorney, if any, his or her parents or legal guardian,  
18 his or her guardian ad litem, if any, the independent professional person,  
19 and the minor's treating team of the time and place thereof. The hearing  
20 shall be held in accordance with ~~section 27-10-111~~ SECTION 27-65-111;  
21 except that the court or jury shall determine that the minor is in need of  
22 care and treatment if the court or jury makes the following findings: That  
23 the minor has a mental illness and is in need of hospitalization; that a less  
24 restrictive treatment alternative is inappropriate or unavailable; and that  
25 hospitalization is likely to be beneficial. At the conclusion of the hearing,  
26 the court may enter an order confirming the recommendation for  
27 continued hospitalization, discharge the minor, or enter any other

1 appropriate order.

2 (e) For purposes of this ~~subsection (3.5)~~ SUBSECTION (7), "objects  
3 to hospitalization" means that a minor, with the necessary assistance of  
4 hospital staff, has written his or her objections to continued  
5 hospitalization and has been given an opportunity to affirm or disaffirm  
6 such objections forty-eight hours after the objections are first written.

7 (f) A minor may not again object to hospitalization pursuant to  
8 this ~~subsection (3.5)~~ SUBSECTION (7) until ninety days after conclusion of  
9 proceedings pursuant to this ~~subsection (3.5)~~ SUBSECTION (7).

10 (g) In addition to the rights specified under ~~section 27-10-117~~  
11 SECTION 27-65-117 for persons receiving evaluation, care, or treatment,  
12 a written notice specifying the rights of minor children under this section  
13 shall be given to each minor upon admission to hospitalization.

14 ~~(3.6)~~ (8) A minor who no longer meets the standards for  
15 hospitalization specified in ~~subsection (3.1)~~ SUBSECTION (3) of this  
16 section shall be discharged.

17 ~~(4)~~ (9) For the purpose of this article, the treatment by prayer in  
18 the practice of the religion of any church which teaches reliance on  
19 spiritual means alone for healing shall be considered a form of treatment.

20 ~~(5)~~ (10) The medical and legal status of all voluntary patients  
21 receiving treatment for mental illness in inpatient or custodial facilities  
22 shall be reviewed at least once every six months.

23 ~~(6)~~ (11) Voluntary patients shall be afforded all the rights and  
24 privileges customarily granted by hospitals to their patients.

25 ~~(7)~~ (12) If at any time during a seventy-two-hour evaluation of a  
26 person who is confined involuntarily the facility staff requests the person  
27 to sign in voluntarily and he or she elects to do so, the following

1 advisement shall be given orally and in writing and an appropriate  
2 notation shall be made in his or her medical record by the professional  
3 person or his or her designated agent:

4 **NOTICE**

5 The decision to sign in voluntarily should be made  
6 by you alone and should be free from any force or pressure  
7 implied or otherwise. If you do not feel that you are able  
8 to make a truly voluntary decision, you may continue to be  
9 held at the hospital involuntarily. As an involuntary  
10 patient, you will have the right to protest your confinement  
11 and request a hearing before a judge.

12 **27-65-104. [Formerly 27-10-104] Rights of respondents.**

13 Unless specifically stated in an order by the court, a respondent shall not  
14 forfeit any legal right or suffer legal disability by reason of the provisions  
15 of this article.

16 **27-65-105. [Formerly 27-10-105] Emergency procedure.**

17 (1) Emergency procedure may be invoked under either one of the  
18 following two conditions:

19 (a) (I) When any person appears to have a mental illness and, as  
20 a result of such mental illness, appears to be an imminent danger to others  
21 or to himself or herself or appears to be gravely disabled, then a person  
22 specified in subparagraph (II) of this paragraph (a), each of whom is  
23 referred to in this section as the "intervening professional", upon probable  
24 cause and with such assistance as may be required, may take the person  
25 into custody, or cause the person to be taken into custody, and placed in  
26 a facility designated or approved by the executive director for a  
27 seventy-two-hour treatment and evaluation.

1 (II) The following persons may effect a seventy-two-hour hold as  
2 provided in subparagraph (I) of this paragraph (a):

3 (A) A certified peace officer;

4 (B) A professional person;

5 (C) A registered professional nurse as defined in section  
6 12-38-103 (11), C.R.S., who by reason of postgraduate education and  
7 additional nursing preparation has gained knowledge, judgment, and skill  
8 in psychiatric or mental health nursing;

9 (D) A licensed marriage and family therapist or licensed  
10 professional counselor, licensed under the provisions of part 5 or 6 of  
11 article 43 of title 12, C.R.S., or an addiction counselor licensed pursuant

19 relates sufficient facts to establish that a person appears to have a mental  
20 illness and, as a result of the mental illness, appears to be an imminent  
21 danger to others or to himself or herself or appears to be gravely disabled,  
22 the court may order the person described in the affidavit to be taken into  
23 custody and placed in a facility designated or approved by the executive  
24 director for a seventy-two-hour treatment and evaluation. Whenever in  
25 this article a facility is to be designated or approved by the executive  
26 director, hospitals, if available, shall be approved or designated in each  
27 county before other facilities are approved or designated. Whenever in

1 this article a facility is to be designated or approved by the executive  
2 director as a facility for a stated purpose and the facility to be designated  
3 or approved is a private facility, the consent of the private facility to the  
4 enforcement of standards set by the executive director shall be a  
5 prerequisite to the designation or approval.

6 ~~(1.1)~~ (2) (a) When a person is taken into custody pursuant to  
7 subsection (1) of this section, such person shall not be detained in a jail,  
8 lockup, or other place used for the confinement of persons charged with  
9 or convicted of penal offenses; except that such place may be used if no  
10 other suitable place of confinement for treatment and evaluation is readily  
11 available. In such situation the person shall be detained separately from  
12 those persons charged with or convicted of penal offenses and shall be  
13 held for a period not to exceed twenty-four hours, excluding Saturdays,  
14 Sundays, and holidays, after which time he or she shall be transferred to  
15 a facility designated or approved by the executive director for a  
16 seventy-two-hour treatment and evaluation. If the person being detained  
17 is a juvenile, as defined in section 19-1-103 (68), C.R.S., the juvenile  
18 shall be placed in a setting that is nonsecure and physically segregated by  
19 sight and sound from the adult offenders. When a person is taken into  
20 custody and confined pursuant to this ~~subsection (1.1)~~ SUBSECTION (2),  
21 such person shall be examined at least every twelve hours by a certified  
22 peace officer, nurse, or physician or by an appropriate staff professional  
23 of the nearest designated or approved mental health treatment facility to  
24 determine if the person is receiving appropriate care consistent with his  
25 or her mental condition.

26 (b) A sheriff or police chief who violates the provisions of  
27 paragraph (a) of this ~~subsection (1.1)~~ SUBSECTION (2), related to detaining

1 juveniles may be subject to a civil fine of no more than one thousand  
2 dollars. The decision to fine shall be based on prior violations of the  
3 provisions of paragraph (a) of this ~~subsection (1.1)~~ SUBSECTION (2) by the  
4 sheriff or police chief and the willingness of the sheriff or police chief to  
5 address the violations in order to comply with paragraph (a) of this  
6 ~~subsection (1.1)~~ SUBSECTION (2).

7 ~~(2)~~ (3) Such facility shall require an application in writing, stating  
8 the circumstances under which the person's condition was called to the  
9 attention of the intervening professional and further stating sufficient  
10 facts, obtained from the personal observations of the intervening  
11 professional or obtained from others whom he or she reasonably believes  
12 to be reliable, to establish that the person has a mental illness and, as a  
13 result of the mental illness, is an imminent danger to others or to himself  
14 or herself or is gravely disabled. The application shall indicate when the  
15 person was taken into custody and who brought the person's condition to  
16 the attention of the intervening professional. A copy of the application  
17 shall be furnished to the person being evaluated, and the application shall  
18 be retained in accordance with the provisions of ~~section 27-10-120 (3)~~  
19 SECTION 27-65-121 (4).

20 ~~(3)~~ (4) If the seventy-two-hour treatment and evaluation facility  
21 admits the person, it may detain him or her for evaluation and treatment  
22 for a period not to exceed seventy-two hours, excluding Saturdays,  
23 Sundays, and holidays if evaluation and treatment services are not  
24 available on those days. For the purposes of this ~~subsection (3)~~  
25 SUBSECTION (4), evaluation and treatment services are not deemed to be  
26 available merely because a professional person is on call during weekends  
27 or holidays. If, in the opinion of the professional person in charge of the

1 evaluation, the person can be properly cared for without being detained,  
2 he or she shall be provided services on a voluntary basis.

3 (4) (5) Each person admitted to a seventy-two-hour treatment and  
4 evaluation facility under the provisions of this article shall receive an  
5 evaluation as soon as possible after he or she is admitted and shall receive  
6 such treatment and care as his or her condition requires for the full period  
7 that he or she is held. The person shall be released before seventy-two  
8 hours have elapsed if, in the opinion of the professional person in charge  
9 of the evaluation, the person no longer requires evaluation or treatment.  
10 Persons who have been detained for seventy-two-hour evaluation and  
11 treatment shall be released, referred for further care and treatment on a  
12 voluntary basis, or certified for treatment pursuant to ~~section 27-10-107~~  
13 SECTION 27-65-107.

14 **27-65-106. [Formerly 27-10-106] Court-ordered evaluation**  
15 **for persons with mental illness.** (1) Any person alleged to have a  
16 mental illness and, as a result of the mental illness, to be a danger to  
17 others or to himself or herself or to be gravely disabled may be given an  
18 evaluation of his or her condition under a court order pursuant to this  
19 section.

20 (2) Any individual may petition the court in the county in which  
21 the respondent resides or is physically present alleging that there is a  
22 person who appears to have a mental illness and, as a result of the mental  
23 illness, appears to be a danger to others or to himself or herself or appears  
24 to be gravely disabled and requesting that an evaluation of the person's  
25 condition be made.

26 (3) The petition for a court-ordered evaluation shall contain the  
27 following:

1 (a) The name and address of the petitioner and his OR HER interest  
2 in the case;

3 (b) The name of the person for whom evaluation is sought, who  
4 shall be designated as the respondent, and, if known to the petitioner, the  
5 address, age, sex, marital status, and occupation of the respondent;

6 (c) Allegations of fact indicating that the respondent may have a  
7 mental illness and, as a result of the mental illness, be a danger to others  
8 or to himself or herself or be gravely disabled and showing reasonable  
9 grounds to warrant an evaluation;

10 (d) The name and address of every person known or believed by  
11 the petitioner to be legally responsible for the care, support, and  
12 maintenance of the respondent, if available;

13 (e) The name, address, and telephone number of the attorney, if  
14 any, who has most recently represented the respondent. If there is no  
15 attorney, there shall be a statement as to whether, to the best knowledge  
16 of the petitioner, the respondent meets the criteria established by the legal  
17 aid agency operating in the county or city and county for it to represent  
18 a client.

19 (4) Upon receipt of a petition satisfying the requirements of  
20 subsection (3) of this section, the court shall designate a facility, approved  
21 by the executive director, or a professional person to provide screening  
22 of the respondent to determine whether there is probable cause to believe  
23 the allegations.

24 (5) Following screening, the facility or professional person  
25 designated by the court shall file his or her report with the court. The  
26 report shall include a recommendation as to whether there is probable  
27 cause to believe that the respondent has a mental illness and, as a result

1 of the mental illness, is a danger to others or to himself or herself or is  
2 gravely disabled and whether the respondent will voluntarily receive  
3 evaluation or treatment. The screening report submitted to the court shall  
4 be confidential in accordance with ~~section 27-10-120~~ SECTION 27-65-121  
5 and shall be furnished to the respondent or his or her attorney or personal  
6 representative.

7 (6) Whenever it appears, by petition and screening pursuant to this  
8 section, to the satisfaction of the court that probable cause exists to  
9 believe that the respondent has a mental illness and, as a result of the  
10 mental illness, is a danger to others or to himself or herself or is gravely  
11 disabled and that efforts have been made to secure the cooperation of the  
12 respondent, who has refused or failed to accept evaluation voluntarily, the  
13 court shall issue an order for evaluation authorizing a certified peace  
14 officer to take the respondent into custody and place him or her in a  
15 facility designated by the executive director for seventy-two-hour  
16 treatment and evaluation. At the time of taking the respondent into  
17 custody, a copy of the petition and the order for evaluation shall be given  
18 to the respondent, and promptly thereafter to any one person designated  
19 by such respondent and to the person in charge of the seventy-two-hour  
20 treatment and evaluation facility named in the order or his or her  
21 designee.

22 (7) The respondent shall be evaluated as promptly as possible and  
23 shall in no event be detained longer than seventy-two hours under the  
24 court order, excluding Saturdays, Sundays, and holidays if treatment and  
25 evaluation services are not available on those days. Within that time, the  
26 respondent shall be released, referred for further care and treatment on a  
27 voluntary basis, or certified for short-term treatment.

1 (8) At the time the respondent is taken into custody for evaluation  
2 or within a reasonable time thereafter, unless a responsible relative is in  
3 possession of the respondent's personal property, the certified peace  
4 officer taking him or her into custody shall take reasonable precautions  
5 to preserve and safeguard the personal property in the possession of or on  
6 the premises occupied by the respondent.

7 (9) When a person is involuntarily admitted to a seventy-two-hour  
8 treatment and evaluation facility under the provisions of this section or  
9 ~~section 27-10-105~~ SECTION 27-65-105, the person shall be advised by the  
10 facility director or his or her duly appointed representative that the person  
11 is going to be examined with regard to his or her mental condition.

12 (10) Whenever a person is involuntarily admitted to a  
13 seventy-two-hour treatment and evaluation facility, he or she shall be  
14 advised by the facility director or his or her duly appointed representative  
15 of his or her right to retain and consult with any attorney at any time and  
16 that, if he or she cannot afford to pay an attorney, upon proof of  
17 indigency, one will be appointed by the court without cost.

18 **27-65-107. [Formerly 27-10-107] Certification for short-term**  
19 **treatment.** (1) If a person detained for seventy-two hours under the  
20 provisions of ~~section 27-10-105~~ SECTION 27-65-105 or a respondent under  
21 court order for evaluation pursuant to ~~section 27-10-106~~ SECTION  
22 27-65-106 has received an evaluation, he or she may be certified for not  
23 more than three months of short-term treatment under the following  
24 conditions:

25 (a) The professional staff of the agency or facility providing  
26 seventy-two-hour treatment and evaluation has analyzed the person's  
27 condition and has found the person has a mental illness and, as a result of

1 the mental illness, is a danger to others or to himself or herself or is  
2 gravely disabled.

3 (b) The person has been advised of the availability of, but has not  
4 accepted, voluntary treatment; but, if reasonable grounds exist to believe  
5 that the person will not remain in a voluntary treatment program, his or  
6 her acceptance of voluntary treatment shall not preclude certification.

7 (c) The facility which will provide short-term treatment has been  
8 designated or approved by the executive director to provide such  
9 treatment.

10 (2) The notice of certification must be signed by a professional  
11 person on the staff of the evaluation facility who participated in the  
12 evaluation and shall state facts sufficient to establish reasonable grounds  
13 to believe that the person has a mental illness and, as a result of the  
14 mental illness, is a danger to others or to himself or herself or is gravely  
15 disabled. The certification shall be filed with the court within forty-eight  
16 hours, excluding Saturdays, Sundays, and court holidays, of the date of  
17 certification. The certification shall be filed with the court in the county  
18 in which the respondent resided or was physically present immediately  
19 prior to his or her being taken into custody.

20 (3) Within twenty-four hours of certification, copies of the  
21 certification shall be personally delivered to the respondent, and a copy  
22 shall be kept by the evaluation facility as part of the person's record. The  
23 respondent shall also be asked to designate one other person whom he or  
24 she wishes informed regarding certification. If he or she is incapable of  
25 making such a designation at the time the certification is delivered, he or  
26 she shall be asked to designate such person as soon as he or she is  
27 capable. In addition to the copy of the certification, the respondent shall

1 be given a written notice that a hearing upon his or her certification for  
2 short-term treatment may be had before the court or a jury upon written  
3 request directed to the court pursuant to subsection (6) of this section.

4 (4) Upon certification of the respondent, the facility designated for  
5 short-term treatment shall have custody of the respondent.

6 (5) Whenever a certification is filed with the court, the court, if it  
7 has not already done so under ~~section 27-10-106 (10)~~ SECTION 27-65-106  
8 (10), shall forthwith appoint an attorney to represent the respondent. The  
9 court shall determine whether the respondent is able to afford an attorney.  
10 If the respondent cannot afford counsel, the court shall appoint either  
11 counsel from the legal services program operating in that jurisdiction or  
12 private counsel to represent the respondent. The attorney representing the  
13 respondent shall be provided with a copy of the certification immediately  
14 upon his or her appointment. Waiver of counsel must be knowingly and  
15 intelligently made in writing and filed with the court by the respondent.  
16 In the event that a respondent who is able to afford an attorney fails to pay  
17 the appointed counsel, such counsel, upon application to the court and  
18 after appropriate notice and hearing, may obtain a judgment for  
19 reasonable attorney fees against the respondent or person making request  
20 for such counsel or both the respondent and such person.

21 (6) The respondent for short-term treatment or his or her attorney  
22 may at any time file a written request that the certification for short-term  
23 treatment or the treatment be reviewed by the court or that the treatment  
24 be on an outpatient basis. If review is requested, the court shall hear the  
25 matter within ten days after the request, and the court shall give notice to  
26 the respondent and his or her attorney and the certifying and treating  
27 professional person of the time and place thereof. The hearing shall be

1 held in accordance with ~~section 27-10-111~~ SECTION 27-65-111. At the  
2 conclusion of the hearing, the court may enter or confirm the certification  
3 for short-term treatment, discharge the respondent, or enter any other  
4 appropriate order, subject to available appropriations.

5 (7) Records and papers in proceedings under this section and  
6 ~~section 27-10-108~~ SECTION 27-65-108 shall be maintained separately by  
7 the clerks of the several courts. Upon the release of any respondent in  
8 accordance with the provisions of ~~section 27-10-110~~ SECTION 27-65-110,  
9 the facility shall notify the clerk of the court within five days of the  
10 release, and the clerk shall forthwith seal the record in the case and omit  
11 the name of the respondent from the index of cases in such court until and  
12 unless the respondent becomes subject to an order of long-term care and  
13 treatment pursuant to ~~section 27-10-109~~ SECTION 27-65-109 or until and  
14 unless the court orders them opened for good cause shown. In the event  
15 a petition is filed pursuant to ~~section 27-10-109~~ SECTION 27-65-109, such  
16 certification record may be opened and become a part of the record in the  
17 long-term care and treatment case and the name of the respondent  
18 indexed.

19 (8) Whenever it appears to the court, by reason of a report by the  
20 treating professional person or any other report satisfactory to the court,  
21 that a respondent detained for evaluation and treatment or certified for  
22 treatment should be transferred to another facility for treatment and the  
23 safety of the respondent or the public requires that the respondent be  
24 transported by a sheriff, the court may issue an order directing the sheriff  
25 or his or her designee to deliver the respondent to the designated facility.

26 **27-65-108. [Formerly 27-10-108] Extension of short-term**  
27 **treatment.** If the professional person in charge of the evaluation and

1 treatment believes that a period longer than three months is necessary for  
2 treatment of the respondent, he OR SHE shall file with the court an  
3 extended certification. No extended certification for treatment shall be  
4 for a period of more than three months. The respondent shall be entitled  
5 to a hearing on the extended certification under the same conditions as in  
6 an original certification. The attorney initially representing the  
7 respondent shall continue to represent that person, unless the court  
8 appoints another attorney.

9 **27-65-109. [Formerly 27-10-109] Long-term care and**  
10 **treatment of persons with mental illness.** (1) Whenever a respondent  
11 has received short-term treatment for five consecutive months under the  
12 provisions of ~~sections 27-10-107 and 27-10-108~~ SECTIONS 27-65-107 AND  
13 27-65-108, the professional person in charge of the evaluation and  
14 treatment may file a petition with the court for long-term care and  
15 treatment of the respondent under the following conditions:

16 (a) The professional staff of the agency or facility providing  
17 short-term treatment has analyzed the respondent's condition and has  
18 found that the respondent has a mental illness and, as a result of the  
19 mental illness, is a danger to others or to himself or herself or is gravely  
20 disabled.

21 (b) The respondent has been advised of the availability of, but has  
22 not accepted, voluntary treatment; but, if reasonable grounds exist to  
23 believe that the respondent will not remain in a voluntary treatment  
24 program, his or her acceptance of voluntary treatment shall not preclude  
25 an order pursuant to this section.

26 (c) The facility that will provide long-term care and treatment has  
27 been designated or approved by the executive director to provide the care

1 and treatment.

2 (2) Every petition for long-term care and treatment shall include  
3 a request for a hearing before the court prior to the expiration of six  
4 months from the date of original certification. A copy of the petition shall  
5 be delivered personally to the respondent for whom long-term care and  
6 treatment is sought and mailed to his or her attorney of record  
7 simultaneously with the filing thereof.

8 (3) Within ten days after receipt of the petition, the respondent or  
9 his or her attorney may request a jury trial by filing a written request  
10 therefor with the court.

11 (4) The court or jury shall determine whether the conditions of  
12 subsection (1) of this section are met and whether the respondent has a  
13 mental illness and, as a result of the mental illness, is a danger to others  
14 or to himself or herself or is gravely disabled. The court shall thereupon  
15 issue an order of long-term care and treatment for a term not to exceed six  
16 months, or it shall discharge the respondent for whom long-term care and  
17 treatment was sought, or it shall enter any other appropriate order, subject  
18 to available appropriations. An order for long-term care and treatment  
19 shall grant custody of the respondent to the department for placement  
20 with an agency or facility designated by the executive director to provide  
21 long-term care and treatment. When a petition contains a request that a  
22 specific legal disability be imposed or that a specific legal right be  
23 deprived, the court may order the disability imposed or the right deprived  
24 if it or a jury has determined that the respondent has a mental illness or is  
25 gravely disabled and that, by reason thereof, the person is unable to  
26 competently exercise said right or perform the function as to which the  
27 disability is sought to be imposed. Any interested person may ask leave

1 of the court to intervene as a copetitioner for the purpose of seeking the  
2 imposition of a legal disability or the deprivation of a legal right.

3 (5) An original order of long-term care and treatment or any  
4 extension of such order shall expire upon the date specified therein,  
5 unless further extended as provided in this subsection (5). If an extension  
6 is being sought, the professional person in charge of the evaluation and  
7 treatment shall certify to the court at least thirty days prior to the  
8 expiration date of the order in force that an extension of the order is  
9 necessary for the care and treatment of the respondent subject to the order  
10 in force, and a copy of the certification shall be delivered to the  
11 respondent and simultaneously mailed to his or her attorney of record. At  
12 least twenty days before the expiration of the order, the court shall give  
13 written notice to the respondent and his or her attorney of record that a  
14 hearing upon the extension may be had before the court or a jury upon  
15 written request to the court within ten days after receipt of the notice. If  
16 no hearing is requested by the respondent within such time, the court may  
17 proceed ex parte. If a hearing is timely requested, it shall be held before  
18 the expiration date of the order in force. If the court or jury finds that the  
19 conditions of subsection (1) of this section continue to be met and that the  
20 respondent has a mental illness and, as a result of the mental illness, is a  
21 danger to others or to himself or herself or is gravely disabled, the court  
22 shall issue an extension of the order. Any extension shall be for a period  
23 of not more than six months, but there may be as many extensions as the  
24 court orders pursuant to this section.

25 **27-65-110. [Formerly 27-10-110] Termination of short-term**  
26 **and long-term treatment - escape.** (1) An original certification for  
27 short-term treatment under ~~section 27-10-107~~ SECTION 27-65-107, or an

1 extended certification under ~~section 27-10-108~~ SECTION 27-65-108, or an  
2 order for long-term care and treatment or any extension thereof shall  
3 terminate as soon as, in the opinion of the professional person in charge  
4 of treatment of the respondent, the respondent has received sufficient  
5 benefit from such treatment for him OR HER to leave. Whenever a  
6 certification or extended certification is terminated under this section, the  
7 professional person in charge of providing treatment shall so notify the  
8 court in writing within five days of such termination. Such professional  
9 person may also prescribe day care, night care, or any other similar mode  
10 of treatment prior to termination.

11 (2) Before termination, an escaped respondent may be returned to  
12 the facility by order of the court without a hearing or by the  
13 superintendent or director of such facility without order of court. After  
14 termination, a respondent may be returned to the institution only in  
15 accordance with the provisions of this article.

16 **27-65-111. [Formerly 27-10-111] Hearing procedures -**  
17 **jurisdiction.** (1) Hearings before the court under ~~section 27-10-107,~~  
18 ~~27-10-108, or 27-10-109~~ SECTION 27-65-107, 27-65-108, OR 27-65-109  
19 shall be conducted in the same manner as other civil proceedings before  
20 the court. The burden of proof shall be upon the person or facility  
21 seeking to detain the respondent. The court or jury shall determine that  
22 the respondent is in need of care and treatment only if the court or jury  
23 finds by clear and convincing evidence that the person has a mental  
24 illness and, as a result of the mental illness, is a danger to others or to  
25 himself or herself or is gravely disabled.

26 (2) The court, after consultation with respondent's counsel to  
27 obtain counsel's recommendations, may appoint a professional person to

1 examine the respondent for whom short-term treatment or long-term care  
2 and treatment is sought and to testify at the hearing before the court as to  
3 the results of his or her examination. The court-appointed professional  
4 person shall act solely in an advisory capacity, and no presumption shall  
5 attach to his or her findings.

6 (3) Every respondent subject to an order for short-term treatment  
7 or long-term care and treatment shall be advised of his or her right to  
8 appeal the order by the court at the conclusion of any hearing as a result  
9 of which such an order may be entered.

10 (4) The court in which the petition is filed under ~~section~~  
11 ~~27-10-106~~ SECTION 27-65-106 or the certification is filed under ~~section~~  
12 ~~27-10-107~~ SECTION 27-65-107 shall be the court of original jurisdiction  
13 and of continuing jurisdiction for any further proceedings under this  
14 article. When the convenience of the parties and the ends of justice  
15 would be promoted by a change in the court having jurisdiction, the court  
16 may order a transfer of the proceeding to another county. Until further  
17 order of the transferee court, if any, it shall be the court of continuing  
18 jurisdiction.

27 which the designated facility treating the respondent or person is located

1 shall have jurisdiction and venue to accept a petition by a treating  
2 physician and to enter an order requiring that the respondent or person  
3 accept such treatment or, in the alternative, that the medication be forcibly

21 (c) In the case of a defendant who is found incompetent to

3 any county or in any city and county having a population exceeding fifty  
4 thousand persons, the proceedings shall be conducted by the county

8 **ARTICLE 67**

9 **Child Mental Health Treatment Act**

10 **27-67-101. [Formerly 27-10.3-101] Short title.** This article

11 shall be known and may be cited as the "Child Mental Health Treatment

12 Act".

13 **27-67-102. [Formerly 27-10.3-102] Legislative declaration.**

14 (1) The general assembly finds that many parents in Colorado have

15 experienced challenging circumstances because their children have

16 significant mental health needs. Many times, the parents are loving,

17 caring parents who have become increasingly frustrated in their attempts

18 to navigate the various governmental systems including child welfare,

19 mental health, law enforcement, juvenile justice, education, and youth

20 corrections in an attempt to find help for their children. Frequently in

21 these situations an action in dependency or neglect under article 3 of title

22 19, C.R.S., is neither appropriate nor warranted.

23 (2) The general assembly finds that it is desirable to assist children

24 with mental health needs and their families. The general assembly further

25 finds that it is desirable to make mental health services more available to

26 families who want treatment for their children. The general assembly

27 finds that, although the mental health agencies are responsible for

1 providing the full range of mental health treatment services, including  
2 residential care, for those children who have been found to be  
3 categorically eligible for medicaid, there remains a population of children  
4 in need of mental health services who are not categorically eligible for  
5 medicaid. Accordingly, the general assembly determines that it is  
6 appropriate to adopt a program pursuant to which a continuum of services  
7 would be provided to these children.

8 **27-67-103. [Formerly 27-10.3-103] Definitions.** As used in this  
9 article, unless the context otherwise requires:

10 (1) "Behavioral health organization" shall have the same meaning  
11 as provided in section 25.5-5-403 (1), C.R.S.

12 ~~(1.5)~~ (2) "Child at risk of out-of-home placement" means a child  
13 who, although not otherwise categorically eligible for medicaid, meets the  
14 following criteria:

15 (a) Has been diagnosed as having a mental illness, as defined in  
16 ~~section 27-10-102 (8.5)~~ SECTION 27-65-102 (14);

2 **27-67-104. [Formerly 27-10.3-104] Provision of mental health**  
3 **treatment services for youth.** (1) (a) A parent or guardian may apply  
4 to a mental health agency on behalf of his or her minor child for mental  
5 health treatment services for the child pursuant to this section, whether  
6 the child is categorically eligible for medicaid under the capitated mental  
7 health system described in section 25.5-5-411, C.R.S., or whether the  
8 parent believes his or her child is a child at risk of out-of-home  
9 placement. In such circumstances, it shall be the responsibility of the  
10 mental health agency to evaluate the child and to clinically assess the  
11 child's need for mental health services and, when warranted, to provide  
12 treatment services as necessary and in the best interests of the child and  
13 the child's family. Subject to available state appropriations, the mental  
14 health agency shall be responsible for the provision of the treatment  
15 services and care management, including any in-home family mental  
16 health treatment, other family preservation services, residential treatment,  
17 or any post-residential follow-up services that may be appropriate for the  
18 child's or family's needs. For the purposes of this section, the term "care  
19 management" includes, but is not limited to, consideration of the  
20 continuity of care and array of services necessary for appropriately  
21 treating the child and the decision-making authority regarding a child's  
22 placement in and discharge from mental health services. A dependency  
23 or neglect action pursuant to article 3 of title 19, C.R.S., shall not be  
24 required in order to allow a family access to residential mental health  
25 treatment services for a child.

26 (b) At the time of the assessment by the mental health agency, if  
27 residential services are denied, or at the time when the mental health

1 agency has recommended that the child be discharged from services, the  
2 mental health agency shall advise the family, both orally and in writing,  
3 of the appeal process available to them. The mental health agency shall  
4 have two working days within which to complete any internal appeal  
5 process. Within five working days after the mental health agency's final  
6 denial or recommendation for discharge, a parent or guardian may request  
7 an objective third party at the state department who is a professional  
8 person, as that term is defined in ~~section 27-10-102 (11)~~ SECTION  
9 27-65-102 (17), to review the action of the mental health agency. The  
10 review shall occur within three working days of the parent's or guardian's  
11 request.

12 (2) If at any time the mental health agency determines pursuant to  
13 section 19-3-304, C.R.S., that there is reasonable cause to know or  
14 suspect that a child has been subjected to abuse or neglect, then the  
15 mental health agency shall immediately contact the appropriate county  
16 department. Within ten days after the referral to the county department,  
17 the mental health agency shall meet with the county department and the  
18 family. Upon referral to the county department, the county department  
19 shall proceed with an assessment to determine whether there is a  
20 sufficient basis to believe that physical or sexual abuse or neglect or some  
21 other form of abuse or neglect of a child's physical well-being has  
22 occurred, warranting a dependency or neglect action.

23 **27-67-105. [Formerly 27-10.3-105] Monitoring - report.**

24 (1) On or before September 1, 2009, and by September 1 of each year  
25 thereafter, each community mental health center shall report to the state  
26 department the following information, and each behavioral health  
27 organization, for those children eligible to receive medicaid benefits

1 whose parent or legal guardian requests residential treatment, shall report  
2 to the department of health care policy and financing the following  
3 information:

4 (a) The number of children, both those children who are  
5 categorically eligible for medicaid under the capitated mental health  
6 system described in section 25.5-5-411, C.R.S., and those children who  
7 are at risk of out-of-home placement, to whom the following services  
8 were provided:

9 (I) An assessment pursuant to ~~section 27-10.3-104(1)(a)~~ SECTION  
10 27-67-104 (1) (a);

11 (II) In-home family mental health treatment;

12 (III) Community-based treatment, including but not limited to  
13 therapeutic foster care services;

14 (IV) Family preservation services;

15 (V) Residential treatment; and

16 (VI) Post-residential follow-up services.

17 (b) The number of children, both those children who are  
18 categorically eligible for medicaid under the capitated mental health  
19 system described in section 25.5-5-411, C.R.S., and those children who  
20 are at risk of out-of-home placement, referred to the county department  
21 for a dependency or neglect investigation pursuant to ~~section 27-10.3-104~~  
22 ~~(2)~~ SECTION 27-67-104 (2), and the reasons therefor;

23 (c) The number of children for whom either:

24 (I) An assessment was requested but not performed, and the  
25 reasons that the assessment was not performed; or

26 (II) An assessment was performed but the mental health agency  
27 did not provide services under this article, and the reasons that services

1 were not provided, including whether the family refused the services  
2 offered;

3 (d) The costs associated with the provision of the mental health  
4 treatment services;

5 (e) The profiles of the children and families served;

6 (f) The outcomes of treatment for the children served, as  
7 determined by the state department in consultation with mental health  
8 agencies, service providers, and families;

9 (g) If residential services were provided, the length of stay; and

10 (h) The aggregate number of complaints submitted pursuant to the  
11 dispute resolution process described in ~~section 27-10.3-107~~ SECTION  
12 27-67-107, the nature of the complaints, and the general disposition of the  
13 cases.

14 ~~(2) Repealed.~~

15 ~~(3)~~ (2) On or before October 1, 2009, and on or before October 1  
16 of each year thereafter, the department of health care policy and financing  
17 shall provide to the state department the information received from  
18 behavioral health organizations pursuant to subsection (1) of this section.

19 **27-67-106. [Formerly 27-10.3-106] Funding - rules.** (1) In  
20 order to make mental health treatment available, it is the intent of the  
21 general assembly that mental health treatment provided pursuant to this  
22 article to each child described in ~~section 27-10.3-103 (1.5)~~ SECTION  
23 27-67-103 (2) be provided by mental health agencies.

24 (2) (a) If neither the family's private insurance nor federal  
25 medicaid funding cover all of the costs associated with the services  
26 provided to a child at risk of out-of-home placement pursuant to this  
27 article, then the family shall be responsible for paying that portion that is

1 not covered by private insurance or federal medicaid funding on a sliding  
2 scale basis as set forth in subsection (3) of this section. Any remaining  
3 portion of the services not covered by private insurance, federal medicaid  
4 funding, or the family's share, shall be paid for from moneys appropriated  
5 for such purpose pursuant to paragraph (b) of this subsection (2) or from  
6 general fund moneys, subject to available appropriations.

7 (b) Pursuant to section 24-75-1104.5 (1) (k), C.R.S., beginning in  
8 the 2004-05 fiscal year, and for each fiscal year thereafter so long as the  
9 state receives moneys pursuant to the master settlement agreement, the  
10 general assembly shall appropriate to the state department to fund the  
11 remaining portion of services not covered by private insurance, federal  
12 medicaid funding, or the family's share, as described in paragraph (a) of  
13 this subsection (2), three hundred thousand dollars from the moneys  
14 received by the state in accordance with the master settlement agreement  
15 for the preceding fiscal year. The general assembly shall appropriate the  
16 amount specified in this paragraph (b) from moneys credited to the  
17 tobacco litigation settlement cash fund created in section 24-22-115,  
18 C.R.S.

19 (3) The state board of human services, in consultation with the  
20 department of health care policy and financing, shall promulgate rules  
21 implementing a sliding scale for the payment of services, including  
22 mental health treatment and room and board, that are not covered by  
23 private insurance or federal medicaid funding. It is the intent of the  
24 general assembly that the portion of such expenses paid from general  
25 fund moneys shall not exceed the general fund appropriations made for  
26 such purpose in any given fiscal year. It is the further intent of the  
27 general assembly that subsidies provided by the state through general

1 fund moneys shall be used to assist the lowest income families to ensure  
2 the maximum use of appropriate least restrictive treatment services and  
3 to provide access to the greatest number of children.

4 **27-67-107. [Formerly 27-10.3-107] Dispute resolution - rules.**

5 (1) The state department shall utilize, when appropriate, established  
6 grievance and dispute resolution processes in order to assure that parents  
7 have access to mental health services on behalf of their children.

8 (2) The state board of human services shall promulgate rules to  
9 assure that a grievance process is available to parents concerning the  
10 provision of mental health services and to assure that a dispute resolution  
11 process is available for disputes between the county departments and  
12 mental health agencies.

20 **27-68-101. [Formerly 27-1-301] Short title.** This ~~part~~<sup>3</sup>  
21 ARTICLE shall be known and may be cited as the "Mental Health Services  
22 Pilot Program for Families of Recently Discharged Veterans Act".

23 **27-68-102. [Formerly 27-1-302] Legislative declaration.**

24 (1) The general assembly hereby finds and declares that:

25 (a) Current research indicates that there exists a military culture  
26 in the United States that is reluctant to seek mental health services, in part  
27 because of a widely held perception that seeking mental health services

1 will destroy a military career. This perception adds additional stress to a  
2 veteran or the family of a veteran in addition to the underlying cause of  
3 their distress, thus compounding the initial problem.

4 (b) Frequently, it is the family of the veteran who initially seeks  
5 treatment services and the veteran then follows suit. However, upon  
6 discharge, families are not covered under veterans administration  
7 benefits, leaving most families of discharged veterans with limited access  
8 to mental health services.

9 (c) Access to mental health services is being severely limited by  
10 capacity constraints within the military system. Veterans administration  
11 medical and mental health clinics report waiting lists of more than four  
12 hundred veterans in some areas.

13 (d) Colorado Springs is home to a high percentage of combat  
14 veterans from operation enduring freedom and operation Iraqi freedom  
15 and their families who would benefit from the provision of mental health  
16 services.

17 (2) The general assembly therefore finds that it is in the best  
18 interest of the state of Colorado to create a pilot program to educate  
19 veterans and their families about mental health issues, including  
20 posttraumatic stress disorder, encourage families of discharged veterans  
21 to seek mental health services, and provide mental health services to  
22 families who would otherwise not be able to receive such services.

23 **27-68-103. [Formerly 27-1-303] Definitions.** As used in this

16 including posttraumatic stress disorder, encourage families of discharged  
17 veterans to seek mental health services, and provide mental health  
18 services to families of discharged veterans who would otherwise not be  
19 able to receive such services.

20 (2) Effective July 1, 2007, subject to available funding, the  
21 department shall purchase community mental health treatment services  
22 pursuant to ~~section 27-1-203~~ SECTION 27-66-103 and mental health  
23 education services from community mental health centers in the Colorado

12 received during that month. If the family has access to alternative  
13 insurance coverage for the mental health services received, such  
14 alternative funding shall be utilized prior to accessing pilot program  
15 dollars.

16 (4) Beginning July 1, 2007, community mental health centers  
17 participating in the pilot program shall collect data on services provided  
18 and client outcomes for the purpose of determining the effectiveness of  
19 the pilot program. No later than December 1, 2009, each participating

21 summarizing the outcomes of the pilot program. No later than February  
22 1, 2010, the department shall submit a report to the health and human  
23 services committees of the senate and house of representatives, or any  
24 successor committees, that summarizes the findings of the participating  
25 community mental health centers.

13 **Integrated System of Care Family Advocacy**

14 **Demonstration Programs for Mental Health**

15 **Juvenile Justice Populations**

16 **27-69-101. [Formerly 26-22-101] Legislative declaration.**

17 (1) The general assembly hereby finds and declares that:

18 (a) Colorado families and youth have difficulties navigating the  
19 mental health, physical health, substance abuse, developmental  
20 disabilities, education, juvenile justice, child welfare, and other state and  
21 local systems that are compounded when the youth has a mental illness  
22 or co-occurring disorder;

23 (b) Preliminary research demonstrates that family advocates  
24 increase family and youth satisfaction, improve family participation, and  
25 improve services to help youth and families succeed and achieve positive  
26 outcomes. One preliminary study in Colorado found that the wide array  
27 of useful characteristics and valued roles performed by family advocates,

1 regardless of where they are located institutionally, provided evidence for  
2 continuing and expanding the use of family advocates in systems of care.

3 (c) Input from families, youth, and state and local community  
4 agency representatives in Colorado demonstrates that family advocates  
5 help families get the services and support they need and want, help  
6 families to better navigate complex state and local systems, improve  
7 family and youth outcomes, and help disengaged families and youth to  
8 become engaged families and youth;

9 (d) State and local agencies and systems need to develop more  
10 strengths-based, family-centered, individualized, culturally competent,  
11 and collaborative approaches that better meet the needs of families and  
12 youth;

13 (e) A family advocate helps state and local agencies and systems  
14 adopt more strengths-based-targeted programs, policies, and services to  
15 better meet the needs of families and their youth with mental illness or  
16 co-occurring disorders and improve outcomes for all, including families,  
17 youth, and the agencies they utilize;

18 (f) There is a need to demonstrate the success of family advocates  
19 in helping agencies and systems in Colorado to better meet the needs of  
20 families and youth and help state and local agencies strengthen programs.

21 (2) It is therefore in the state's best interest to establish  
22 demonstration programs for system of care family advocates for mental  
23 health juvenile justice populations who navigate across mental health,  
24 physical health, substance abuse, developmental disabilities, juvenile  
25 justice, education, child welfare, and other state and local systems to  
26 ensure sustained and thoughtful family participation in the planning  
27 processes of the care for their children and youth.

1           **27-69-102. [Formerly 26-22-102] Definitions.** As used in this  
2 article, unless the context otherwise requires:

3           (1) "Co-occurring disorders" means disorders that commonly  
4 coincide with mental illness and may include, but are not limited to,  
5 substance abuse, developmental disabilities, fetal alcohol syndrome, and  
6 traumatic brain injury.

7           (2) "Demonstration programs" means programs that are intended  
8 to exemplify and demonstrate evidence of the successful use of family  
9 advocates in assisting families and youth with mental illness or  
10 co-occurring disorders.

11           (3) "Division of criminal justice" means the division of criminal  
12 justice created in section 24-33.5-502, C.R.S., in the department of public  
13 safety.

14           ~~(4) "Division of mental health" means the unit within the~~  
15 ~~department of human services that is responsible for mental health~~  
16 ~~services.~~

17           ~~(5)~~ (4) "Family advocacy coalition" means a coalition of family  
18 advocates or family advocacy organizations working to help families and  
19 youth with mental health problems, substance abuse, developmental  
20 disabilities, and other co-occurring disorders to improve services and  
21 outcomes for youth and families and to work with and enhance state and  
22 local systems.

23           ~~(6)~~ (5) "Family advocate" means an individual who has been  
24 trained to assist families in accessing and receiving services and support.  
25 Family advocates are usually individuals who have raised or cared for  
26 children and youth with mental health or co-occurring disorders and have  
27 worked with multiple agencies and providers, including mental health,

1 physical health, substance abuse, juvenile justice, developmental  
2 disabilities, and other state and local systems of care.

3 ~~(7)~~ (6) "Legislative oversight committee" means the legislative  
4 oversight committee for the continuing examination of the treatment of  
5 persons with mental illness who are involved in the criminal and juvenile  
6 justice systems, created in section 18-1.9-103, C.R.S.

7 ~~(8)~~ (7) "Partnership" means a relationship between a family  
8 advocacy organization and another entity whereby the family advocacy  
9 organization works directly with another entity for oversight and  
10 management of the family advocate and family advocacy demonstration  
11 program, and the family advocacy organization employs, supervises,  
12 mentors, and provides training to the family advocate.

13 ~~(9)~~ (8) "System of care" means an integrated network of  
14 community-based services and support that is organized to meet the  
15 challenges of youth with complex needs, including, but not limited to, the  
16 need for substantial services to address areas of developmental, physical,  
17 and mental health, substance abuse, child welfare, and education and  
18 involvement in or being at risk of involvement with the juvenile justice  
19 system. In a system of care, families and youth work in partnership with  
20 public and private organizations to build on the strengths of individuals  
21 and to address each person's cultural and linguistic needs so services and  
22 support are effective.

18 is the policy of this state that alcoholics and intoxicated persons may not  
19 be subjected to criminal prosecution because of their consumption of  
20 alcoholic beverages but rather should be afforded a continuum of  
21 treatment in order that they may lead normal lives as productive members  
22 of society. The general assembly hereby finds and declares that  
23 alcoholism and intoxication are matters of statewide concern.

24 (2) With the passage of this ~~part 3~~ ARTICLE at its first regular

1 should be handled by public health rather than criminal procedures. The  
2 general assembly further finds and declares that no other health problem  
3 has been so seriously neglected and that, while the costs of dealing with  
4 the problem are burdensome, the social and economic costs and the waste  
5 of human resources caused by alcohol abuse and alcoholism are massive,  
6 tragic, and no longer acceptable. The general assembly believes that the  
7 best interests of this state demand an across-the-board locally oriented

9 ~~part 3~~ ARTICLE will provide a base from which to launch the attack and

11 in response to the needs as determined by an ad hoc committee and to  
12 assist in the implementation of this ~~part 3~~ ARTICLE at both the local and  
13 state level, the general assembly hereby appropriates moneys for:  
14 Receiving and screening centers and their staffs; medical detoxification;  
15 intensive treatment; halfway house care; outpatient rehabilitative therapy;

21 shall credit the fees to the alcohol and drug driving safety program fund  
22 created in section 42-4-1301.3 (4) (a), C.R.S. The standards may concern  
23 only the health standards to be met and standards of treatment to be  
24 afforded patients and shall reflect the success criteria established by the

26 (2) The division UNIT periodically shall inspect approved public  
27 and private treatment facilities at reasonable times and in a reasonable

1 manner.

2 (3) The division UNIT shall maintain a list of approved public and  
3 private treatment facilities.

4 (4) Each approved public and private treatment facility shall file

9 returns thereof shall be removed from the list of approved treatment  
10 facilities.

11 (5) The division UNIT, after hearing, may suspend, revoke, limit,

22 division UNIT has reasonable cause to believe is operating in violation of  
23 this ~~part 3~~ ARTICLE.

24 **27-81-107. [Formerly 25-1-306.5] Compliance with local**  
25 **government zoning regulations - notice to local governments -**  
26 **provisional approval.** (1) The division UNIT shall require any  
27 residential treatment facility seeking approval as a public or private

1 treatment facility pursuant to this ~~part 3~~ ARTICLE to comply with any  
2 applicable zoning regulations of the municipality, city and county, or  
3 county where the facility is situated. Failure to comply with applicable  
4 zoning regulations shall constitute grounds for the denial of approval of  
5 a facility.

6 (2) The division UNIT shall assure that timely written notice is  
7 provided to the municipality, city and county, or county where a  
8 residential treatment facility is situated, including the address of the  
9 facility and the population and number of persons to be served by the  
10 facility, when any of the following occurs:

11 (a) An application for approval of a residential treatment facility  
12 pursuant to ~~section 25-1-306~~ SECTION 27-81-106 is made;

13 (b) Approval is granted to a residential treatment facility pursuant  
14 to ~~section 25-1-306~~ SECTION 27-81-106;

15 (c) A change in the approval of a residential treatment facility  
16 occurs; or

17 (d) The approval of a residential treatment facility is revoked or  
18 otherwise terminated for any reason.

19 (3) In the event of a zoning or other delay or dispute between a  
20 residential treatment facility and the municipality, city and county, or  
21 county where the facility is situated, the division UNIT may grant  
22 provisional approval of the facility for up to one hundred twenty days  
23 pending resolution of the delay or dispute.

24 **27-81-108. [Formerly 25-1-307] Acceptance for treatment -**  
25 **rules.** (1) The director shall adopt and may amend and repeal rules for  
26 acceptance of persons into the treatment program, considering available  
27 treatment resources and facilities, for the purpose of early and effective

1 treatment of alcoholics and intoxicated persons. In establishing the rules  
2 the director shall be guided by the following standards:

3 (a) If possible a patient shall be treated on a voluntary rather than  
4 an involuntary basis.

5 (b) A patient shall be initially assigned or transferred to outpatient  
6 or intermediate treatment, unless he OR SHE is found to require inpatient  
7 treatment.

8 (c) A person shall not be denied treatment solely because he OR  
9 SHE has withdrawn from treatment against medical advice on a prior  
10 occasion or because he OR SHE has relapsed after earlier treatment.

11 (d) An individualized treatment plan shall be prepared and  
12 maintained on a current basis for each patient.

13 (e) Provision shall be made for a continuum of coordinated  
14 treatment services, so that a person who leaves a facility or a form of  
15 treatment will have available and utilize other appropriate treatment.

16 **27-81-109. [Formerly 25-1-308] Voluntary treatment of**  
17 **alcoholics.** (1) An alcoholic, including a minor, may apply for voluntary  
18 treatment directly to an approved treatment facility.

19 (2) Subject to rules adopted by the director, the administrator in  
20 charge of an approved treatment facility may determine who shall be  
21 admitted for treatment. If a person is refused admission to an approved  
22 treatment facility, the administrator shall refer the person to another  
23 approved treatment facility for treatment if possible and appropriate.

24 (3) If a patient receiving inpatient care leaves an approved  
25 treatment facility, he OR SHE shall be encouraged to consent to appropriate  
26 outpatient or intermediate treatment. If it appears to the administrator in  
27 charge of the treatment facility that the patient is an alcoholic and requires

1 help, the administrator may arrange for assistance in obtaining supportive  
2 services and residential facilities.

3 **27-81-110. [Formerly 25-1-309] Voluntary treatment for**  
4 **intoxicated persons and persons incapacitated by alcohol.** (1) An  
5 intoxicated person or person intoxicated or incapacitated by alcohol,  
6 including a minor, may voluntarily admit himself OR HERSELF to an  
7 approved treatment facility for emergency treatment.

8 (2) A person who comes voluntarily to an approved treatment  
9 facility shall be evaluated or examined by the facility administrator or by  
10 his OR HER authorized designee immediately. A person found to be in  
11 need of treatment shall then be admitted or referred to another appropriate  
12 facility. If a person is found not to be in need of treatment, he OR SHE  
13 shall be released or referred to another appropriate facility.

14 (3) Except as provided in subsection (7) of this section, a  
15 voluntarily admitted person shall be released from the approved treatment  
16 facility immediately upon his OR HER request.

17 (4) A person who is not admitted to an approved treatment  
18 facility, and who is not referred to another health facility, and who has no  
19 funds may be taken to his OR HER home, if any. If he OR SHE has no  
20 home, the approved treatment facility may assist him OR HER in obtaining  
21 shelter.

22 (5) If a person is admitted to an approved treatment facility, his OR  
23 HER family or next of kin shall be notified as promptly as possible. If an  
24 adult person requests that there be no notification, his OR HER request  
25 shall be respected.

26 (6) If the administrator in charge of the approved treatment  
27 facility or his OR HER authorized designee determines that it is for the

1 person's benefit, the person shall be encouraged to agree to further  
2 diagnosis and appropriate voluntary treatment.

3 (7) Nothing in this section shall preclude the approved treatment  
4 facility administrator or his OR HER authorized designee from seeking  
5 emergency commitment OF A PERSON as provided in ~~section 25-1-310~~  
6 SECTION 27-81-111 or involuntary commitment OF A PERSON as provided  
7 in ~~section 25-1-311~~ SECTION 27-81-112, regardless of whether such  
8 person has been voluntarily admitted under this section. In such cases,  
9 the ~~administrator~~ ADMINISTRATOR'S or designee's further conduct shall be  
10 governed by ~~section 25-1-310 or 25-1-311~~ SECTION 27-81-111 OR  
11 27-81-112, as applicable.

12 **27-81-111. [Formerly 25-1-310] Emergency commitment.**

13 (1) (a) When ~~any~~ A person is intoxicated or incapacitated by alcohol and  
14 clearly dangerous to the health and safety of himself, herself, or others,  
15 ~~such person~~ HE OR SHE shall be taken into protective custody by law  
16 enforcement authorities or an emergency service patrol, acting with  
17 probable cause, and placed in an approved treatment facility. If no such  
18 facilities are available, he or she may be detained in an emergency  
19 medical facility or jail, but only for so long as may be necessary to  
20 prevent injury to himself, herself, or others or to prevent a breach of the  
21 peace. If the person being detained is a juvenile, as defined in section  
22 19-1-103 (68), C.R.S., the juvenile shall be placed in a setting that is  
23 nonsecure and physically segregated by sight and sound from the adult  
24 offenders. A law enforcement officer or emergency service patrol officer,  
25 in detaining the person, is taking him or her into protective custody. In  
26 so doing, the detaining officer may protect himself or herself by  
27 reasonable methods but shall make every reasonable effort to protect the

1 detainee's health and safety. A taking into protective custody under this  
2 section is not an arrest, and no entry or other record shall be made to  
3 indicate that the person has been arrested or charged with a crime. Law  
4 enforcement or emergency service personnel who act in compliance with  
5 this section are acting in the course of their official duties and are not  
6 criminally or civilly liable therefor. Nothing in this subsection (1) shall  
7 preclude an intoxicated or incapacitated person who is not dangerous to  
8 the health and safety of himself, herself, or others from being assisted to  
9 his or her home or like location by the law enforcement officer or  
10 emergency service patrol officer.

11 (b) A sheriff or police chief who violates the provisions of  
12 paragraph (a) of this subsection (1) related to detaining juveniles may be  
13 subject to a civil fine of no more than one thousand dollars. The decision  
14 to fine shall be based on prior violations of the provisions of paragraph  
15 (a) of this subsection (1) by the sheriff or police chief and the willingness  
16 of the sheriff or police chief to address the violations in order to comply  
17 with paragraph (a) of this subsection (1).

18 (2) A law enforcement officer, emergency service patrolman,  
19 physician, spouse, guardian, or relative of the person to be committed or  
20 any other responsible person may make a written application for  
21 emergency commitment under this section, directed to the administrator  
22 of the approved treatment facility. The application shall state the  
23 circumstances requiring emergency commitment, including the applicant's  
24 personal observations and the specific statements of others, if any, upon  
25 which he OR SHE relies in making the application. A copy of the  
26 application shall be furnished to the person to be committed.

27 (3) If the approved treatment facility administrator or his or her

1 authorized designee approves the application, the person shall be  
2 committed, evaluated, and treated for a period not to exceed five days.  
3 The person shall be brought to the facility by a peace officer, the  
4 emergency service patrol, or any interested person. If necessary, the court  
5 may be contacted to issue an order to the police, the peace officer's  
6 department, or the sheriff's department to transport the person to the  
7 facility.

8 (4) If the approved treatment facility administrator or his OR HER  
9 authorized designee determines that the application fails to sustain the  
10 grounds for emergency commitment as set forth in subsection (1) of this  
11 section, the commitment shall be refused and the person detained  
12 immediately released, and the person shall be encouraged to seek  
13 voluntary treatment if appropriate.

14 (5) When the administrator determines that the grounds for  
15 commitment no longer exist, he OR SHE shall discharge the person  
16 committed under this section. ~~No~~ A person committed under this section  
17 may NOT be detained in any treatment facility for more than five days;  
18 except that a person may be detained for longer than five days at the  
19 approved treatment facility if, in that period of time, a petition for  
20 involuntary commitment has been filed pursuant to ~~section 25-1-311~~  
21 SECTION 27-81-112. A person may not be detained longer than ten days  
22 after the date of filing of the petition for involuntary commitment.

23 (6) Whenever a person is involuntarily detained pursuant to this  
24 section, he OR SHE shall immediately be advised by the facility  
25 administrator or his OR HER authorized designee, both orally and in  
26 writing, of his OR HER right to challenge such detention by application to  
27 the courts for a writ of habeas corpus, to be represented by counsel at

1 every stage of any proceedings relating to his OR HER commitment and  
2 recommitment, and to have counsel appointed by the court or provided by  
3 the court if he OR SHE wants the assistance of counsel and is unable to  
4 obtain counsel.

5 **27-81-112. [Formerly 25-1-311] Involuntary commitment of**  
6 **alcoholics.** (1) A person may be committed to the custody of the  
7 division UNIT by the court upon the petition of the person's spouse or  
8 guardian, a relative, a physician, an advanced practice nurse, the  
9 administrator in charge of any approved treatment facility, or any other  
10 responsible person. The petition shall allege that the person is an  
11 alcoholic and that the person has threatened or attempted to inflict or  
12 inflicted physical harm on himself or herself or on another and that unless  
13 committed the person is likely to inflict physical harm on himself or  
14 herself or on another or that the person is incapacitated by alcohol. A  
15 refusal to undergo treatment does not constitute evidence of lack of  
16 judgment as to the need for treatment. The petition shall be accompanied  
17 by a certificate of a licensed physician who has examined the person  
18 within two days before submission of the petition, unless the person  
19 whose commitment is sought has refused to submit to a medical  
20 examination, in which case the fact of refusal shall be alleged in the  
21 petition. The certificate shall set forth the physician's findings in support  
22 of the allegations of the petition.

23 ~~(1.5)~~ (2) A petition submitted pursuant to subsection (1) of this  
24 section shall not be accepted unless there is documentation of the refusal  
25 by the person to be committed to accessible and affordable voluntary  
26 treatment. ~~Such~~ THE documentation may include, but shall not be limited  
27 to, ~~physicians' statements, advanced practice nurses' statements, notations~~

1 ~~in the person's medical or law enforcement records, or witnesses'~~  
2 ~~statements~~ NOTATIONS IN THE PERSON'S MEDICAL OR LAW ENFORCEMENT  
3 RECORDS OR STATEMENTS BY A PHYSICIAN, ADVANCED PRACTICE NURSE,  
4 OR WITNESS.

5 (2) (3) Upon the filing of the petition, the court shall fix a date for  
6 a hearing no later than ten days after the date the petition was filed. A  
7 copy of the petition and of the notice of the hearing, including the date  
8 fixed by the court, shall be personally served on the petitioner, the person  
9 whose commitment is sought, and one of his OR HER parents or his OR  
10 HER legal guardian if he OR SHE is a minor. A copy of the petition and  
11 notice of hearing shall be mailed to the division of alcohol and drug  
12 abuse, UNIT, to counsel for the person whose commitment is sought, to  
13 the administrator in charge of the approved treatment facility to which the  
14 person may have been committed for emergency treatment, and to any  
15 other person the court believes advisable.

16 (3) (4) At the hearing, the court shall hear all relevant testimony,  
17 including, if possible, the testimony of at least one licensed physician who  
18 has examined the person whose commitment is sought. The person shall  
19 be present unless the court believes that the person's presence is likely to  
20 be injurious to the person; in this event, the court shall appoint a guardian  
21 ad litem to represent the person throughout the proceeding. If the person  
22 has refused to be examined by a licensed physician, he or she shall be  
23 given an opportunity to be examined by a court-appointed licensed  
24 physician. If the person refuses and there is sufficient evidence to believe  
25 that the allegations of the petition are true or if the court believes that  
26 more medical evidence is necessary, the court may commit the person to  
27 a licensed hospital for a period of not more than five days for a diagnostic

1 examination. In such event, the court shall schedule a further hearing for  
2 final determination of commitment, in no event later than five days after  
3 the first hearing.

4 ~~(4)~~ (5) If after hearing all relevant evidence, including the results  
5 of any diagnostic examination by the licensed hospital, the court finds  
6 that grounds for involuntary commitment have been established by clear  
7 and convincing proof, it shall make an order of commitment to the  
8 ~~division. The division~~ UNIT. THE UNIT shall have the right to delegate  
9 physical custody of the person to an appropriate approved treatment  
10 facility. It may not order commitment of a person unless it determines  
11 that the division UNIT is able to provide adequate and appropriate  
12 treatment for him OR HER, and the treatment is likely to be beneficial.

13 ~~(4.5)~~ (6) Upon the commitment of a person to the division UNIT  
14 by the court, the court may issue an order to the sheriff to transport the  
15 person committed to the facility designated by the division UNIT.

16 ~~(5)~~ (7) A person committed as provided in this section shall  
17 remain in the custody of the division UNIT for treatment for a period of  
18 thirty days unless sooner discharged. At the end of the thirty-day period,  
19 he OR SHE shall be discharged automatically unless the division UNIT,  
20 before expiration of the period, obtains a court order for his OR HER  
21 recommitment upon the grounds set forth in subsection (1) of this section  
22 for a further period of ninety days unless sooner discharged. If a person  
23 has been committed because he OR SHE is an alcoholic likely to inflict  
24 physical harm on another, the division UNIT shall apply for recommitment  
25 if after examination it is determined that the likelihood still exists.

26 ~~(6)~~ (8) A person recommitment as provided in ~~subsection (5)~~  
27 SUBSECTION (7) of this section who has not been discharged by the

1 division UNIT before the end of the ninety-day period shall be discharged  
2 at the expiration of that period unless the division UNIT, before expiration  
3 of the period, obtains a court order on the grounds set forth in subsection  
4 (1) of this section for recommitment for a further period not to exceed  
5 ninety days. If a person has been committed because he OR SHE is an  
6 alcoholic likely to inflict physical harm on another, the division UNIT shall  
7 apply for recommitment if after examination it is determined that the  
8 likelihood still exists. Only two recommitment orders under subsection  
9 ~~(5)~~ SUBSECTION (7) of this section and this subsection ~~(6)~~ SUBSECTION (8)  
10 are permitted.

11 ~~(7)~~ (9) Upon the filing of a petition for recommitment under  
12 subsections ~~(5) and (6)~~ SUBSECTIONS (7) AND (8) of this section, the court  
13 shall fix a date for hearing no later than ten days after the date the petition  
14 was filed. A copy of the petition and of the notice of hearing shall be  
15 served and mailed as required in subsection ~~(2)~~ SUBSECTION (3) of this  
16 section. At the hearing, the court shall proceed as provided in subsection  
17 ~~(3)~~ SUBSECTION (4) of this section.

18 ~~(8)~~ (10) The division UNIT shall provide for adequate and  
19 appropriate treatment of a person committed to its custody. The division  
20 UNIT may transfer any person committed to its custody from one approved  
21 treatment facility to another if transfer is advisable.

22 ~~(9)~~ (11) A person committed to the custody of the division UNIT  
23 for treatment shall be discharged at any time before the end of the period  
24 for which he OR SHE has been committed if either of the following  
25 conditions is met:

26 (a) In THE case of an alcoholic committed on the grounds that he  
27 OR SHE is likely to inflict physical harm upon another, that he OR SHE no

1 longer has an alcoholic condition ~~which~~ THAT requires treatment or the  
2 likelihood no longer exists; or

3 (b) In THE case of an alcoholic committed on the grounds of the  
4 need of treatment and incapacity, that the incapacity no longer exists,  
5 further treatment will not be likely to bring about significant improvement  
6 in the person's condition, or treatment is no longer appropriate.

7 ~~(10)~~ (12) The court shall inform the person whose commitment or  
8 recommitment is sought of his or her right to contest the application, to  
9 be represented by counsel at every stage of any proceedings relating to the  
10 person's commitment and recommitment, and to have counsel appointed  
11 by the court or provided by the court if he or she wants the assistance of  
12 counsel and is unable to obtain counsel. If the court believes that the  
13 person needs the assistance of counsel, the court shall require, by  
14 appointment if necessary, counsel for the person regardless of his or her  
15 wishes. The person whose commitment or recommitment is sought shall  
16 be informed of his or her right to be examined by a licensed physician of  
17 the person's choice. If the person is unable to obtain a licensed physician  
18 and requests examination by a physician, the court shall employ a  
19 licensed physician.

20 ~~(11)~~ (13) If a private treatment facility agrees with the request of  
21 a competent patient or his OR HER parent, sibling, adult child, or guardian  
22 to accept the patient for treatment, the administrator of the public  
23 treatment facility shall transfer him OR HER to the private treatment  
24 facility.

25 ~~(12)~~ (14) A person committed under this ~~part 3~~ ARTICLE may at  
26 any time seek to be discharged from commitment by an order in the  
27 nature of habeas corpus.

4 ARTICLE shall be conducted by the district attorney of the county where  
5 the proceeding is held or by an attorney acting for the district attorney  
6 appointed by the court for that purpose; except that, in any county or in  
7 any city and county having a population exceeding one hundred thousand  
8 persons, the proceedings shall be conducted by the county attorney or by  
9 an attorney acting for the county attorney appointed by the court.

9 **ARTICLE 82**

10 **Drug Abuse Prevention,**

11 **Education, and Treatment**

12 **27-82-101. [Formerly 25-1-1100.2] Legislative declaration.**

13 (1) The general assembly recognizes the character and pervasiveness of  
14 drug abuse and drug dependency and that drug abuse and dependency are  
15 serious problems. The general assembly further finds and declares that  
16 these problems have been very seriously neglected and that the social and  
17 economic costs and the waste of human resources caused by drug abuse  
18 and dependency are massive, tragic, and no longer acceptable. The  
19 general assembly believes that the best interests of this state demand an  
20 across-the-board locally oriented attack on the massive drug abuse and  
21 dependency problem, which attack includes prevention, education, and  
22 treatment, and that this ~~part 11~~ ARTICLE will provide a base from which  
23 to launch the attack and reduce the tragic human loss.

24 (2) It is the policy of this state that drug dependent persons and  
25 persons who are under the influence of drugs should be afforded  
26 treatment in order that they may lead normal lives as productive members  
27 of society. The general assembly hereby finds and declares that drug

1 abuse and drug dependency are matters of statewide concern.

27 treatment resources and facilities, for the purpose of early and effective

1 treatment of drug abusers and persons under the influence of drugs. In  
2 establishing the rules, the director shall be guided by the following  
3 standards:

4 (a) If possible a patient shall be treated on a voluntary rather than  
5 an involuntary basis.

6 (b) A patient shall be initially assigned or transferred to outpatient  
7 treatment, unless or until he OR SHE is found to require residential  
8 treatment.

9 (c) A person may not be denied treatment solely because he OR  
10 SHE has withdrawn from treatment against medical advice on a prior  
11 occasion or because he OR SHE has relapsed after earlier treatment.

12 (d) An individualized treatment plan shall be prepared and  
13 maintained on a current basis for each patient.

14 (e) Provision shall be made for a continuum of coordinated  
15 treatment services, so that a person who leaves a facility or leaves a form  
16 of treatment will have available and utilize other appropriate treatment.

17 **27-82-105. [Formerly 25-1-1104] Voluntary treatment of drug**  
18 **abusers.** (1) A drug abuser, including a minor, may apply for voluntary  
19 treatment directly to an approved treatment facility.

20 (2) Subject to rules adopted by the director, the administrator in  
21 charge of an approved treatment facility shall determine who shall be  
22 admitted for treatment. If a person is refused admission to an approved  
23 treatment facility, the administrator may refer the person to another  
24 approved and appropriate treatment facility for treatment if it is deemed  
25 likely to be beneficial. A person should not be referred for further  
26 treatment if it is determined that further treatment is not likely to bring  
27 about significant improvement in the person's condition, or treatment is

1 no longer appropriate, or further treatment is unlikely to be beneficial.

2 (3) If a patient receiving residential care leaves an approved  
3 treatment facility, he OR SHE shall be encouraged to consent to outpatient  
4 treatment or supportive services if appropriate.

5 **27-82-106. [Formerly 25-1-1105] Voluntary treatment for**  
6 **persons under influence of drugs and persons incapacitated by drugs.**

7 (1) A person under the influence of or incapacitated by drugs, including  
8 a minor if provided by rules of the division UNIT, may voluntarily admit  
9 himself OR HERSELF to an approved treatment facility for emergency  
10 treatment.

11 (2) A person who voluntarily enters an approved treatment facility  
12 shall be immediately evaluated or examined by the facility administrator.  
13 A person found to be in need of treatment shall then be admitted or  
14 referred to another appropriate facility. If a person is found not to be in  
15 need of treatment, he OR SHE shall be released or referred to another  
16 appropriate facility.

17 (3) Except as provided in subsection (7) of this section, a  
18 voluntarily admitted person shall be released from the approved treatment  
19 facility immediately upon his OR HER request.

20 (4) A person who is not admitted to an approved treatment  
21 facility, and who is not referred to another health facility, and who has no  
22 funds may be taken to his OR HER home, if any. If he OR SHE has no  
23 home, the approved treatment facility may assist him OR HER in obtaining  
24 shelter.

25 (5) If a person is admitted to an approved treatment facility, his OR  
26 HER family or next of kin shall be notified as promptly as possible in  
27 accordance with federal confidentiality regulations for alcohol and drug

1 abuse patient records, which regulations are found at 42 CFR, part II,  
2 secs. 2.1 to 2.67, as amended. If an adult person requests that there be no  
3 notification, his OR HER request shall be respected.

4 (6) If the administrator in charge of the approved treatment  
5 facility determines that it is for the person's benefit, the person shall be  
6 encouraged to agree to further diagnosis and appropriate voluntary  
7 treatment.

8 (7) Nothing in this section shall preclude the approved treatment  
9 facility administrator from seeking emergency commitment OF A PERSON  
10 as provided in ~~section 25-1-1106~~ SECTION 27-82-107 or involuntary  
11 commitment OF A PERSON as provided in ~~section 25-1-1107~~ SECTION  
12 27-82-108, regardless of whether ~~such persons have~~ THE PERSON HAS  
13 been voluntarily admitted under this section. In such ~~cases~~ CASE, the  
14 ~~administrator~~ ADMINISTRATOR'S or designee's further conduct shall be  
15 governed by ~~section 25-1-1106 or 25-1-1107~~ SECTION 27-82-107 OR  
16 27-82-108, as applicable.

17 **27-82-107. [Formerly 25-1-1106] Emergency commitment.**

18 (1) When any person is under the influence of or incapacitated by drugs  
19 and clearly dangerous to the health and safety of himself, HERSELF, or  
20 others, ~~such person~~ HE OR SHE may be taken into protective custody by  
21 law enforcement authorities, acting with probable cause, and placed in an  
22 approved treatment facility. If no such facilities are available, he OR SHE  
23 may be detained in an emergency medical facility or jail, but only for so  
24 long as may be necessary to prevent injury to himself, HERSELF, or others  
25 or to prevent a breach of the peace. A law enforcement officer, in  
26 detaining the person, is taking him OR HER into protective custody. In so  
27 doing, the detaining officer may protect himself OR HERSELF by

1 reasonable methods but shall make every reasonable effort to protect the  
2 detainee's health and safety. A taking into protective custody under this  
3 section is not an arrest, and no entry or other record shall be made to  
4 indicate that the person has been arrested or charged with a crime. Law  
5 enforcement personnel who act in compliance with this section are acting  
6 in the course of their official duties and are not criminally or civilly liable  
7 therefor. Nothing in this subsection (1) shall preclude a person under the  
8 influence of or incapacitated by drugs who is not dangerous to the health  
9 and safety of himself, HERSELF, or others from being assisted to his OR  
10 HER home or like location by the law enforcement officer.

11 (2) A law enforcement officer, physician, spouse, guardian, or  
12 relative of the person to be committed or any other responsible person  
13 may make a written application for emergency commitment under this  
14 section, directed to the administrator of the approved treatment facility.  
15 The application shall state the circumstances requiring emergency  
16 commitment, including the applicant's personal observations and the  
17 specific statements of others, if any, upon which he OR SHE relies in  
18 making the application. A copy of the application shall be furnished to  
19 the person to be committed.

20 (3) If the approved treatment facility administrator finds that there  
21 are sufficient grounds in the application, the person shall be committed,  
22 evaluated, and treated for a period not to exceed five days. The person  
23 shall be brought to the facility by a peace officer or any interested person.  
24 If necessary, the court may be contacted to issue an order to the police,  
25 the peace officer's department, or the sheriff's department to transport the  
26 person to the facility.

27 (4) If the approved treatment facility administrator determines that

1 there are insufficient grounds in the application to sustain an emergency  
2 commitment as set forth in subsection (1) of this section, the commitment  
3 shall be refused and the person detained immediately released, and the  
4 person shall be encouraged to seek voluntary treatment if appropriate.

5 (5) When the administrator determines that the grounds for  
6 commitment no longer exist, the emergency commitment shall be revoked  
7 and the client shall be placed on voluntary status and encouraged to seek  
8 further voluntary treatment. No person committed under this section may  
9 be detained in any treatment facility for more than five days; except that  
10 a person may be detained for longer than five days at the approved  
11 treatment facility if, in that period of time, a petition for involuntary  
12 commitment has been filed pursuant to ~~section 25-1-1107~~ SECTION  
13 27-82-108. A person may not be detained longer than ten days, excluding  
14 weekends and holidays, after the date of filing of the petition for  
15 involuntary commitment unless valid medical reasons exist for detaining  
16 a person longer.

17 (6) Whenever a person is involuntarily detained pursuant to this  
18 section, he OR SHE shall be advised within twenty-four hours by the  
19 facility administrator, both orally and in writing, of his OR HER right to  
20 challenge such detention by application to the courts for a writ of habeas  
21 corpus, and to have counsel appointed by the court or provided by the  
22 court if he OR SHE wants the assistance of counsel and is unable to obtain  
23 counsel.

24 **27-82-108. [Formerly 25-1-1107] Involuntary commitment of**  
25 **drug abusers.** (1) A person may be committed to the custody of the  
26 division UNIT by the court upon the petition of the person's spouse or  
27 guardian, a relative, a physician, an advanced practice nurse, the

1 administrator in charge of any approved treatment facility, or any other  
2 responsible person. The petition shall allege that the person is a drug  
3 abuser and that the person has threatened or attempted to inflict or  
4 inflicted physical harm on himself or herself or on another and that unless  
5 committed the person is likely to inflict physical harm on himself or  
6 herself or on another or that the person is incapacitated by drugs. A  
7 refusal to undergo treatment does not constitute evidence of lack of  
8 judgment as to the need for treatment. The petition shall be accompanied  
9 by a certificate of a licensed physician who has examined the person  
10 within ten days before submission of the petition, unless the person whose  
11 commitment is sought has refused to submit to a medical examination or  
12 an examination cannot be made of such person due to the person's  
13 condition. The certificate shall set forth the physician's findings in  
14 support of the allegations of the petition.

15 ~~(1.5)~~ (2) A petition submitted pursuant to subsection (1) of this  
16 section shall not be accepted unless there is documentation of the refusal  
17 by the person to be admitted to accessible and affordable voluntary  
18 treatment. ~~Such~~ Documentation may include, but shall not be limited to,  
19 physicians' and advanced practice nurses' statements, notations in the  
20 person's medical or law enforcement records, or witnesses' statements.

21 ~~(2)~~ (3) Upon the filing of the petition, the court shall fix a date for  
22 a hearing no later than ten days, excluding weekends and holidays, after  
23 the date the petition was filed, unless valid medical reasons exist for  
24 delaying the hearing. A copy of the petition and of the notice of the  
25 hearing, including the date fixed by the court, shall be personally served  
26 on the person whose commitment is sought and one of his OR HER parents  
27 or his OR HER legal guardian if he OR SHE is a minor. A copy of the

1 petition and notice of hearing shall be provided to the petitioner, to the  
2 ~~division of alcohol and drug abuse, UNIT,~~ to counsel for the person whose  
3 commitment is sought, if any, to the administrator in charge of the  
4 approved treatment facility to which the person may have been committed  
5 for emergency treatment, and to any other person the court believes  
6 advisable.

7 (3) (4) At the hearing, the court shall hear all relevant testimony,  
8 including, if possible, the testimony of at least one licensed physician who  
9 has examined the person whose commitment is sought. The person shall  
10 be present unless the court believes that the person's presence is likely to  
11 be injurious to the person; in this event, the court shall appoint a guardian  
12 ad litem to represent the person throughout the proceeding. If the person  
13 has refused to be examined by a licensed physician, he or she shall be  
14 given an opportunity to be examined by a court-appointed licensed  
15 physician. If the person refuses and there is sufficient evidence to believe  
16 that the allegations of the petition are true or if the court believes that  
17 more medical evidence is necessary, the court may commit the person to  
18 a licensed hospital or an approved public or private treatment facility for  
19 a period of not more than five days for a diagnostic examination. In such  
20 event, the court shall schedule a further hearing for final determination of  
21 commitment, in no event later than five days after the first hearing.

22 (4) (5) If after hearing all relevant evidence, including the results  
23 of any diagnostic examination by the licensed hospital, the court finds  
24 that grounds for involuntary commitment have been established by clear  
25 and convincing proof, it shall make an order of commitment to the  
26 ~~division. The division~~ UNIT. THE UNIT shall have the right to delegate  
27 physical custody of the person to an appropriate approved treatment

1 facility. It may not order commitment of a person unless it determines  
2 that the division UNIT is able to provide adequate and appropriate  
3 treatment for him OR HER and that the treatment is likely to be beneficial.

4 ~~(5)~~ (6) Upon the commitment of a person to the division UNIT by  
5 the court, the court may issue an order to the sheriff to transport the  
6 person committed to the facility designated by the division UNIT.

7 ~~(6)~~ (7) A person committed as provided in this section shall  
8 remain in the custody of the division UNIT for treatment for a period of  
9 thirty days unless sooner discharged. At the end of the thirty-day period,  
10 he OR SHE shall be discharged automatically unless the division UNIT,  
11 before expiration of the period, files a petition for his OR HER  
12 recommitment upon the grounds set forth in subsection (1) of this section  
13 for a further period of ninety days and a hearing has been scheduled in  
14 accordance with ~~subsection (2)~~ SUBSECTION (3) of this section. If a  
15 person has been committed because he OR SHE is a drug abuser likely to  
16 inflict physical harm on another, the division UNIT shall apply for  
17 recommitment if, after examination, it is determined that the likelihood  
18 still exists.

19 ~~(7)~~ (8) A person recommitment as provided in ~~subsection (6)~~  
20 SUBSECTION (7) of this section who has not been discharged by the  
21 division UNIT before the end of the ninety-day period shall be discharged  
22 at the expiration of that period unless the division UNIT, before expiration  
23 of the period, files a petition on the grounds set forth in subsection (1) of  
24 this section for recommitment for a further period not to exceed ninety  
25 days and a hearing has been scheduled in accordance with ~~subsection (2)~~  
26 SUBSECTION (3) of this section. If a person has been committed because  
27 he OR SHE is a drug abuser likely to inflict physical harm on another, the

1 division UNIT shall apply for recommitment if after examination it is  
2 determined that the likelihood still exists. Only two recommitment orders  
3 under ~~subsection (6)~~ SUBSECTION (7) of this section and this ~~subsection~~  
4 ~~(7)~~ SUBSECTION (8) are permitted.

5 ~~(8)~~ (9) Upon the filing of a petition for recommitment under  
6 ~~subsections (6) and (7)~~ SUBSECTIONS (7) AND (8) of this section, the court  
7 shall fix a date for hearing no later than ten days, excluding weekends and  
8 holidays, after the date the petition was filed unless valid medical reasons  
9 exist for delaying the hearing. A copy of the petition and of the notice of  
10 hearing shall be served as required in ~~subsection (2)~~ SUBSECTION (3) of  
11 this section. At the hearing, the court shall proceed as provided in  
12 ~~subsection (3)~~ SUBSECTION (4) of this section.

13 ~~(9)~~ (10) The division UNIT shall provide for adequate and  
14 appropriate treatment of a person committed to its custody. The division  
15 UNIT may transfer any person committed to its custody from one approved  
16 treatment facility to another if transfer is advisable.

17 ~~(10)~~ (11) A person committed to the custody of the division UNIT  
18 for treatment shall be discharged at any time before the end of the period  
19 for which he OR SHE has been committed if either of the following  
20 conditions is met:

21 (a) In THE case of a drug abuser committed on the grounds that he  
22 OR SHE is likely to inflict physical harm upon another, that he OR SHE no  
23 longer has a drug abuse condition ~~which~~ THAT requires treatment or the  
24 likelihood no longer exists; or

25 (b) In THE case of a drug abuser committed on the grounds of the  
26 need of treatment and incapacity, that the incapacity no longer exists, or  
27 in case of a drug abuser committed on any grounds under this section, that

1 further treatment will not be likely to bring about significant improvement  
2 in the person's condition, or treatment is no longer appropriate, or further  
3 treatment is unlikely to be beneficial.

4 ~~(11)~~ (12) The court shall inform the person whose commitment or  
5 recommitment is sought of his or her right to contest the application, to  
6 be represented by counsel at every stage of any proceedings relating to the  
7 person's commitment and recommitment, and to have counsel appointed  
8 by the court or provided by the court if the person wants the assistance of  
9 counsel and is unable to obtain counsel. If the court believes that the  
10 person needs the assistance of counsel, the court shall require, by  
11 appointment if necessary, counsel for the person regardless of the person's  
12 wishes. The person whose commitment or recommitment is sought shall  
13 be informed of his or her right to be examined by a licensed physician of  
14 the person's choice. If the person is unable to obtain a licensed physician  
15 and requests examination by a physician, the court shall employ a  
16 licensed physician.

17 ~~(12)~~ (13) If a private treatment facility agrees with the request of  
18 a competent patient or his OR HER parent, sibling, adult child, or guardian  
19 to accept the patient for treatment, the administrator of the public  
20 treatment facility may transfer him OR HER to the private treatment

11           **27-90-105. [Formerly 27-1-104.4] Future juvenile detention**

12          **facility needs.** (1) (a) The general assembly hereby finds and declares  
13          that currently there are no juvenile detention facilities with commitment  
14          beds or locked detention beds in the southwest portion of Colorado and  
15          that the nearest such facility in the Grand Junction or Glenwood Springs  
16          area is as much as four hours away from some southwestern communities.  
17          As a result of this distance, authorities in the southwest region of the state  
18          often avoid detention even though such avoidance presents a public safety  
19          problem, and those juveniles who are taken to distant facilities lose the  
20          critical access to family members and local community agencies that  
21          would otherwise render their transitional return to the community less  
22          difficult.

23               (b) The general assembly further finds and declares that the  
24          juvenile population in detention is expected to increase by seventy and  
25          nine ~~one-hundredths~~ HUNDREDTHS percent by the year 2002. In addition,  
26          the general assembly finds and declares that the juvenile commitment  
27          population is expected to increase by forty-nine and nine-tenths percent

1 by the year 2002. The general assembly finds and declares that the  
2 growth patterns on the western slope of the state have led to a growth in  
3 population of at-risk youth and increased crime and that the office of  
4 youth services accordingly has experienced a shortfall of both detention  
5 and commitment beds in the western part of the state.

6 (c) The general assembly therefore determines that it would be  
7 appropriate to consider the need for the construction of a juvenile  
8 detention facility in southwest Colorado.

9 (2) (a) The department of ~~human services~~ is directed to assess the  
10 need for, and to determine the community commitment to, a new  
11 multipurpose juvenile detention facility to be constructed in La Plata  
12 county that would serve the following detention and treatment needs of  
13 juveniles in the southwest portion of the state:

14 (I) Secure facility housing of juveniles who are detained on  
15 juvenile-related charges; and

16 (II) Secure facility and medium secure facility housing of  
17 juveniles who are committed to the ~~office~~ DIVISION of youth ~~services~~  
18 CORRECTIONS.

19 (b) In assessing the need for such a facility and the services to be  
20 rendered at such a facility, the department of ~~human services~~ shall  
21 evaluate privatization options.

22 (3) The department of ~~human services~~ shall present its findings,  
23 conclusions, and recommendations to the capital development committee  
24 of the general assembly on or before November 1, 1996.

25 **27-90-106. [Formerly 27-1-104.5] Legislative review of**  
26 **facilities program plans for juvenile facilities.** (1) Prior to any  
27 appropriation by the general assembly for the construction of a new,

1 expanded, renovated, or improved juvenile facility, and no later than  
2 November 1 prior to the beginning of the budget year for which the  
3 appropriation is made, the department of ~~human services~~ shall submit a  
4 proposed facility program plan for each proposed new, expanded,  
5 renovated, or improved juvenile facility to the capital development  
6 committee. The capital development committee shall make a  
7 recommendation regarding the facility program plan to the joint budget  
8 committee. The general assembly may contract with a consultant to  
9 provide assistance to the capital development committee and the joint  
10 budget committee in the review of facilities program plans submitted by  
11 the department. ~~of human services.~~

12 (2) For the purposes of this section, "facility program plan" means  
13 a pre-architectural design program, as that term is understood in the  
14 architectural profession. A facility program plan shall include but need  
15 not be limited to the number of beds proposed to be included in the new  
16 juvenile facility or the addition to an existing juvenile facility, the primary  
17 security level of the proposed facility or addition, the staffing plan of the  
18 proposed facility or addition, and a description of any educational or  
19 ancillary support facilities required for the proposed facility or addition.

20 **27-90-107. [Formerly 27-1-106] Transfer of functions.**

21 (1) The department has the authority to execute, administer, perform, and  
22 enforce the rights, powers, duties, functions, and obligations vested in the  
23 board of control of the state children's home, the board of control of the  
24 Mount View girls' school, and the division of administration of the  
25 division of parole prior to July 1, 1959.

26 (2) Except where the context plainly requires otherwise, "board"  
27 or "boards of control", with reference to the institutions and the division

1 listed in subsection (1) of this section, means and refers to the department  
2 of human services.

3 **27-90-108. [Formerly 27-1-107] Transfer of employees,**  
4 **records, and property - retirement benefits protected - decision of**  
5 **governor.** (1) All employees of the division of administration of the  
6 division of parole and all employees of the boards of control enumerated  
7 in ~~section 27-1-106~~ SECTION 27-90-107 who were engaged in the  
8 performance of duties prescribed and supervised by ~~said~~ THE division of  
9 administration of ~~said~~ THE division of parole and ~~said~~ THE boards,  
10 respectively, and ~~who~~ THAT were transferred to the department of  
11 institutions on July 1, 1959, shall retain all rights to retirement benefits  
12 under the laws of the state, and their services shall be deemed to have  
13 been continuous. All funds, accounts, books, records, documents, and  
14 equipment of ~~said~~ THE boards and ~~said~~ THE division of administration of  
15 the division of parole became the property of the department of  
16 institutions on July 1, 1959.

10 that there was a mistake of fact involving the identity of the person, the  
11 executive director shall issue a finding that the disqualifying factor is not

18 and a review of whether the person poses a risk of harm to vulnerable  
19 persons. In reviewing a disqualification, the executive director shall give  
20 predominant weight to the safety of vulnerable persons over the interests  
21 of the disqualified person. The final determination shall be based upon  
22 a review of:

- 23 (I) The seriousness of the disqualifying offense;
- 24 (II) Whether the person has a conviction for more than one  
25 disqualifying offense;

6 DISQUALIFIED person.

11 excessive financial and personal costs of providing such care. Private  
12 insurance companies may not cover mental health services and rarely  
13 cover residential mental health treatment services; those that do seldom  
14 cover a sufficient percentage of the expense to make such mental health  
15 treatment a viable option for many families in need. The result is that  
16 many families do not have the ability to obtain the mental health services  
17 that they feel their children desperately need. The general assembly finds  
18 that it is in the best interests of these families and the citizens of the state  
19 to encourage the preservation of family units by making mental health  
20 treatment available to these children pursuant to ~~article 10.3~~ ARTICLE 67  
21 of title 27, C.R.S.

22 (2) In order to make mental health treatment available, it is the

25 ~~section 27-10-102 (8.5)~~ SECTION 27-65-102 (14), C.R.S., shall receive

1 post-residential follow-up services, that shall be paid for through federal  
2 medicaid funding.
