1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds, determines, and declares that:

4 (a) The foundation of our political system is best served by  
5 elections that reflect the highest degree of integrity;

6 (b) It is of utmost importance to the continued health of our  
7 republic that citizens function as active voters in the political process;

8 (c) A form of photographic identification is the best and most  
9 widely accepted manner by which to verify an elector's actual identity;

10 (d) In the case of *Crawford v. Marion County Election Board*, 553  
11 U.S. 181 (2008), the United States supreme court upheld an Indiana law  
12 that required photographic identification for voting, finding that any  
13 burden placed on voters by this requirement is limited and offset by the  
14 legitimate state interest in protecting the integrity and reliability of the  
15 electoral process by deterring voter fraud and protecting voter confidence  
16 in elections; and

17 (e) By law, access to state-issued photographic identification is  
18 available to senior citizens and low-income citizens.
