JBC Staff Concurrence with Legislative Council Staff Fiscal Note

Concurs **Does Not Concur** **Updated Analysis**

Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2011-12. Four state agencies currently have appropriations authorizing expenditures from the Drug Offender Surcharge Fund. However, this spending authority currently exceeds the amount of revenues available in the fund, and agencies restrict their appropriations accordingly. The additional revenues that would result from this bill could thus be spent under existing appropriations.
