Summary of Amendments Made to the Bill After the 02/15/11 Legislative Council Staff Fiscal Note Was Prepared (Amended by the House Transportation Committee 02/16/11)

The House Transportation Committee Report dated February 16, 2011, provides an exception to the rule that an owner of a vehicle return the license plate to the Department of Revenue when the authorization to use that vehicle as a taxicab has been terminated. The exception applies if the person who owns the vehicle subsequently obtains authorization, either directly or as an agent, to operate the vehicle as a taxicab, then the vehicle owner may keep and display the taxicab license plate.

JBC Staff and Legislative Council Staff agree that this amendment does not change the fiscal impact of the bill.
