Summary of Amendments Made to the Bill After the 03/14/11 Legislative Council Staff Fiscal Note Was Prepared (Amended by the House Transportation Committee 03/23/11)

The Transportation Committee Report makes a technical change to harmonize language between two different sections of statute related to permits for excess size and weight vehicles. The Joing Budget Committee Staff and Legislative Council Staff agree that the committee report does not change the fiscal impact of the bill as identified in the Legislative Council Staff Fiscal Note dated March 23, 2011.

Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2011-12. The Department of Transportation does not require an appropriation of \$7,950 cash funds because the funds are from the State Highway Fund and are continuously appropriated to the Department.
