The House Judiciary Committee Report makes changes to the legislative declaration, conforms the definitions of "adult sex offender" and "a juvenile who has committed a sexual offense" with current law, clarifies the requirements for the standards and guidelines to be developed by the Sex Offender Management Board (Board), removes language describing adult sex offenders who suffer from a mental abnormality, clarifies what research the Board must include in evaluating the policies and procedures it has established, removes the requirement that the Board develop best-practice guidelines for providing services to persons with developmental disabilities, and changes the repeal date from 2020 to 2015.

#### These amendments do not alter the fiscal impact of the bill.

#### Amendments/Appropriation Status

The bill requires but does not contain an appropriation clause. Staff has prepared amendment **J.001** (attached) to add a provision appropriating \$318,565 General Fund and 3.2 FTE and \$152,536 cash funds and 1.5 FTE to the Department of Public Safety, Division of Criminal Justice for the Sex Offender Managment Board (Board). This funding and FTE represent current ongoing appropriations to the Department of Public Safety for the administration of the Board. The Board was officially repealed on July 1, 2010, when Governor Ritter vetoed H.B. 10-1364, which continued the Board past that date. Boards are given one year to wind down their operations. Therefore, as of July 1, 2011, the Board is no longer a legal entity unless this bill passes. The appropriations shown above represent the current FY 2010-11 appropriations for the administration of the Board. No additional appropriations are required as a result of this bill.

#### **Bill Sponsor Amendments**
