MEMORANDUM

June 20, 2011

TO: Interested Persons

FROM: Alex Schatz, Fiscal Analyst, (303) 866-4375

SUBJECT: SB 262 - Concerning the regulation of telecommunications service by the Public Utilities Commission, and, in connection therewith, eliminating price regulation for all but basic local exchange service and emergency service and phasing out the high-cost support mechanism.

On the basis of the sponsor's intention to ask for the Senate Business, Labor, and Technology Committee to postpone indefinitely (PI) SB 11-262, Legislative Council staff stopped work on the fiscal note for this bill. The Senate Business, Labor, and Technology Committee subsequently moved to PI the bill on May 2, 2011.
