Points to Consider

The Joint Budget Committee has introduced a balanced budget package for FY 2011-12 based on the March 2011 Office of State Planning and Budgeting forecast. The budget package appropriates all General Fund revenues projected to be available, less a statutorily required four percent General Fund reserve. This bill reduces General Fund revenues by \$60,385 for FY 2011-12. If this bill is enacted, other General Fund appropriations for existing programs will need to be reduced by \$60,385 in order to maintain the statutorily required General Fund reserve.
