Amendments/Appropriation Status

The bill neither requires nor contains an appropriation clause for FY 2011-12. The FY 2011-12 Long Bill, as introduced, includes an appropriation of \$2.5 million cash funds from the State Education Fund to the Department of Education for the School Counselor Corps Program. This bill would authorize the Department to spend up to \$75,000 (rather than \$50,000) of this appropriation for administrative purposes.
