TITLE: CONCERNING THE INFORMATION PROVIDED ON A DISABLED VETERAN'S PROPERTY TAX EXEMPTION APPLICATION FORM.

Summary of Legislation

The Division of Veterans Affairs uses social security numbers to verify the veteran status of applicants for the disabled veteran property tax exemption. Current law requires that the first five digits of the applicant's social security number be removed or permanently obscured on the application. This bill eliminates this requirement.

Assessment

This bill is expected to reduce the staff time needed to administer the disabled veterans property tax exemption. However, the change is expected to be minimal. As a result, this bill is assessed as having no fiscal impact.
