Summary of Amendments Made to the Bill After the 02/22/11 Legislative Council Staff Fiscal Note Was Prepared (Amended by the House Transportation Committee 02/23/11)

The House Transportation Committee Report dated February 23, 2011, changed the bill to specify that the design of the license plate, rather than being designed by the Type I Diabetes Foundation of Colorado now requires the license plate to indicate that the "owner of the motor vehicle to which the plate is attached supports research to cure Type I Diabetes".

This change will require the Department of Revenue to design the license plate, which increases the required appropriation as identified in the Legislative Council Staff Fiscal Note dated February 22, 2011 by \$200 cash funds. JBC Staff and Legislative Council Staff agree with this assessment.
