SENATE
Amended 2nd Reading
April 29, 2011

1 **SECTION 1. Legislative declaration.** (1) The general assembly
2 hereby finds and declares that:

3 (a) Colorado's system of higher education is one of the most
4 efficient systems in the country;

5 (b) Appointed by the governor and confirmed by the senate, the
6 governing boards of institutions of higher education in Colorado have a
7 fiduciary responsibility to oversee the operation of colleges and
8 universities throughout the state;

9 (c) With declining resources available for higher education in
10 Colorado, institutions of higher education are expected to develop
11 creative and innovative solutions to remain competitive and maintain
12 access for students;

13 (d) When compared with peer institutions of higher education
14 throughout the United States, the overwhelming majority of regional
15 comprehensive institutions that are similar in size and scope to Mesa state
16 college are labeled as "universities";

17 (e) The natural maturation, expansion, growth, and evolution of
18 Mesa state college in Grand Junction, along with the goals of eliminating
19 confusion regarding the nature and offerings of the institution and
20 enhancing the geographic and reputational distinctiveness of its name,
21 warrant a name change for the institution;

22 (f) Changing the name of an institution steeped in tradition and
23 history requires deliberate outreach and engagement to develop support
24 and agreement among affected constituents;

25 (g) Mesa state college has conducted extensive outreach to its
26 constituent community, and its governing board has recommended that its
27 name be changed;

1 (h) Any resources required to change the names of the institution
2 will not be derived from state general funds allocated to the institution;
3 and

4 (i) Given the lack of alignment of the general assembly's schedule
5 and that of institutional recruiting cycles, failure to act on a name change
6 proposal in this legislative session could postpone name change
7 implementation by as much as two years.
