1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds that child abuse is a deadly epidemic that affects thousands of our
4 state's children every day. A study determined that, in 2009 in Colorado,
5 more than 11,000 children were victims of child abuse or neglect, and
6 thirty-six children died as a result of abuse or neglect.

7 (2) The general assembly further finds that:

8 (a) Children's advocacy centers are the first step in a child's
9 journey toward healing and recovery; and

10 (b) Children's advocacy centers provide a safe, child-friendly
11 setting where a multi-disciplinary team may begin the investigation of
12 child abuse or other traumas a child may have suffered, provides for a
13 child, and, in many cases, is the first and only place where a child is truly
14 heard; and

15 (c) Children's advocacy centers' multi-disciplinary approach
16 avoids the duplication of services; and

17 (d) Children's advocacy centers in Colorado do not receive any
18 direct state funding, instead relying upon community support and
19 surcharge funding to do the important work of helping children survive
20 and thrive; and

21 (e) Surcharge funding assists that effort by providing a direct
22 funding stream to the centers and has a significance beyond just the
23 money itself.

24 (3) The general assembly therefore declares that assessing a
25 surcharge on crimes against a child is reasonable and appropriate to
26 support the services necessary to facilitate the healing of child victims.

27 **SECTION 2.** 18-24-101 (2), Colorado Revised Statutes, is

1 amended to read:
