*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/bills/summaries>.)*

For the 2011-12 fiscal year and each fiscal year thereafter, the bill reallocates to the children's basic health plan the general fund revenues from tobacco taxes collected pursuant to section 21 of article X of the state constitution currently appropriated to the pediatric specialty hospital fund.

For the 2011-12 fiscal year and each fiscal year thereafter, the bill reallocates to the children's basic health plan trust the portion of the supplemental tobacco litigation settlement moneys that is currently appropriated to the pediatric specialty hospital fund. The statutes that direct Tier II tobacco settlement moneys to the pediatric specialty hospital fund are repealed. The bill transfers the balance of moneys in the pediatric specialty hospital fund on August 1, 2011, to the general fund and abolishes the pediatric specialty hospital fund and the supplemental tobacco litigation settlement moneys account within the pediatric specialty hospital fund, effective September 1, 2011.

For fiscal year 2011-12 and fiscal years thereafter, the bill eliminates the requirement that 3% of Tier I tobacco settlement moneys be distributed to the comprehensive primary and preventive care fund and redirects those moneys to the children's basic health plan trust. Effective fiscal year 2011-12 and for future fiscal years, the amount of master tobacco settlement moneys annually allocated to the children's basic health plan trust is increased from 24% to 27%, and the cap on the annual amount is increased from \$30 million to \$33 million in any fiscal year. The bill transfers the balance of moneys in the comprehensive primary and preventive care fund on August 1, 2011, to the general fund and abolishes the comprehensive primary and preventive care grant fund, effective September 1, 2011. The comprehensive primary and preventive care grant program is repealed, effective September 15, 2011.

The bill includes conforming amendments. The bill makes adjustments to the 2011 general appropriation act to implement the bill.
