benefits. The committee consists of the following 9 members appointed by the governor:

- ! 3 members who are disabled and currently receiving disability benefits or have received application assistance;
- ! One member of a statewide, cross-disability organization representing persons with disabilities;
- ! One member who is trained to increase access to disability benefits for persons with disabilities by an organization supported by the United States social security administration;
- ! One member who is a medical doctor;
- ! One member who is a mental health professional;
- ! One member who is an expert in nonprofit management; and
- ! One member appointed by the executive director of the department of personnel.

The members serve 3-year terms.

Standards are set for the contract to provide assistance. A fund is created to implement the assistance program.

The bill authorizes the public and private sale of unique combinations of letters and numbers imprinted on license plates (registration numbers). The license plate auction group is created within the governor's office to raise money by auctioning to a buyer the right to use a registration number and to create a market for the sale of registration numbers. The state's royalty for a private sale is 25%. The group consists of 7 members who are appointed by and serve at the pleasure of the following:

- ! The executive director of the department of revenue;
- ! The governor;
- ! The president of the senate;
- ! The Colorado advisory council for persons with disabilities;
- ! The director of the Colorado office of economic development;
- ! The chief of the Colorado state patrol; and
- ! The Colorado housing and finance authority.

Procedures are set for selling and issuing a registration number.

Purchasers of the registration numbers are authorized to use alternative sources for license plates if the alternatives comply with state standards.

The moneys raised from the program are put in a newly created fund and used to pay the expenses of implementing the program, to help persons with disabilities obtain benefits, and to augment the general fund.
