### A BILL FOR AN ACT

101	CONCERNING A CLARIFICATION OF STATE LAW GOVERNING THE
102	CIRCUMSTANCES UNDER WHICH A NOTICE OF LIS PENDENS MUST
103	BE RECORDED IN CONNECTION WITH THE FILING OF A DEBT
104	SECURITY INSTRUMENT AS A SUBSTITUTE FOR THE FILING OF
105	CERTAIN LIENS.

#### **Bill Summary**

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://www.leg.state.co.us/billsummaries.)

Upon the filing of a bond or undertaking as a substitute for the

filing of a mechanics' or real estate broker's lien, the bill provides that:

- The lien, and any notice of lis pendens relating to the lien or notice of the commencement of any action relating to a lien filed against the real property, is immediately discharged and released in full;
- ! The real property described in the bond or undertaking is to be forever released from the lien and from any notice of lis pendens or notice of the commencement of any action relating to the lien and from any action brought to foreclose the lien; and
- ! No notice of lis pendens or notice of the commencement of any action relating to the lien or any action for the enforcement of the lien shall thereafter be recorded against the property.

The bill requires the clerk of the district court to show that the property has been forever released from the lien and from any notice of lis pendens or notice of the commencement of any action relating to such lien in the certificate of release issued by the clerk.

The bill makes an exception for its provisions from statutory requirements specifying when a recorded notice of lis pendens shall remain in effect.

1 Be it enacted by the General Assembly of the State of Colorado:

2

**SECTION 1. Legislative declaration.** (1) The general assembly

3 hereby finds, determines, and declares that:

4

(a) In Weize Company, LLC v. Colorado Regional Construction,

5 Inc., No. 09CA1369 (Colo. App. June 10, 2010), the Colorado Court of

6 Appeals held that the filing of a bond or undertaking as a substitute for

7 the filing of a mechanics' lien does not excuse a lien claimant from the

- 8 requirement to record a notice of lis pendens;
- 9 (b) Section 38-22-131, Colorado Revised Statutes, authorizes a
  10 bond or undertaking to be substituted for the filing of a lien;
- (c) The purpose and intent of section 38-22-132, Colorado
  Revised Statutes, is to provide that, upon the filing of a bond or
  undertaking pursuant to section 38-22-131, Colorado Revised Statutes,

1 the lien against the property is forever discharged and released from any 2 action to foreclose the lien, as the bond or undertaking is substituted in 3 place of the lien. In addition, under section 38-22-110, Colorado Revised 4 Statutes, a lis pendens is required only to "hold the property" and the 5 section does not require that the lis pendens be recorded in connection 6 with an action on a bond or other undertaking pursuant to section 7 38-22-133, Colorado Revised Statutes. Moreover, because a lien 8 claimant is without the right to assert any lien against property upon the 9 filing of a bond or undertaking pursuant to section 38-22-131, Colorado 10 Revised Statutes, it is not only unnecessary but also prohibited for the lien 11 claimant to thereafter record or maintain a lis pendens relating to the lien 12 or any action for the enforcement of the lien.

(d) In holding that the recording of a lis pendens is required in
connection with the commencement of an action on a substituted bond or
undertaking pursuant to section 38-22-133, Colorado Revised Statutes,
the ruling of the Court of Appeals in *Weize* is contrary to the purpose and
intent of sections 38-22-110 and 38-22-132, Colorado Revised Statutes;
and

(e) Section 38-22.5-111, Colorado Revised Statutes, contains a
provision similar to that found in section 38-22-131, Colorado Revised
Statutes, that allows for the substitution of a bond or similar form of
financial surety in place of a real estate broker's lien.

(2) By enacting Senate Bill 11-\_\_\_\_, enacted in 2011, it is the
intent of the general assembly to clarify for future lien claimants and
other interested parties the circumstances under which a notice of lis
pendens is required to be recorded in connection with the filing of a bond
or undertaking as a substitute for the filing of a mechanics' or real estate
