Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

The bill modifies procedural requirements related to the payment of impoundment, care, and provision costs for an animal that has been impounded because of alleged neglect or abuse or other criminal acts involving the animal. those costs. The bill specifies that the owner must make that request within 10 days after the date of impoundment. Because costs associated with caring for the animal continue to accrue during the pendency of an animal's impoundment, the bill requires the hearing to be conducted in a criminal court of competent jurisdiction no later than 10 days after the request.

The bill also:

- ! For an owner requesting a hearing, delays the payment of costs until the date of the hearing;
- ! Expands the scope of the hearing to include a judicial determination as to whether probable cause existed to justify the impoundment;
- ! Describes circumstances under which a payment for impoundment, care, and provision costs must be refunded to an owner; and
- ! Clarifies that the criminal law procedures governing impoundments do not apply to matters solely brought in an administrative context.

In order to increase clarity, **section 1** of the bill also reorganizes the existing statute governing impounded animals. **Sections 2, 3, and 4** make corresponding nonsubstantive amendments to conform current law to that reorganization.

1 *Be it enacted by the General Assembly of the State of Colorado:*
