Resolution Summary

(Note: This summary applies to this resolution as introduced and does not reflect any amendments that may be subsequently adopted. If this resolution passes third reading in the house of introduction, a resolution summary that applies to the reengrossed version of this resolution will be available at http://www.leg.state.co.us/billsummaries.)

The concurrent resolution makes the following changes to the state personnel system (system):

! **Merit principles.** Currently, appointments and promotions in the system are made based on competitive tests of competence. Competitive tests of competence are replaced with the requirement that there be a comparative analysis of candidates based on objective criteria.

! **Exemptions.** Subject to the approval of the state personnel director, specified departmental positions and senior executive service employees are exempted from the system, but the total number of these new exemptions may not exceed 1% of the total number of persons in the system.

! **Rule of 3.** Currently, appointments within the system must be made to one of the 3 persons ranking highest on the eligible list for the position. The number of persons eligible for appointment is expanded from 3 to 6.

! **Residency requirement.** All appointees are currently required to reside in the state, but applications may be accepted for positions that the state personnel board determines cannot be readily filled from among residents of this state based on training, education, or qualifications. The concurrent resolution allows the state personnel director to make exceptions and removes the criteria relating to that authority. It also creates an exception to the residency requirement for a position located at a work site that is within 30 miles of the state border.

! **Temporary employment.** Currently, the state personnel director may authorize the use of temporary employees for up to 6 months. This limit is changed to 9 months.

! **State personnel board.** Members of the state personnel board currently serve 5-year terms and may only be removed from the board for specified reasons. The concurrent resolution changes a board member’s term to 3 years and limits each member to 2 terms, regardless of whether a term is a full term or a partial term filling a vacancy. In addition, 2 of the board members appointed by
the governor will serve at the governor's pleasure.

Veterans' preference. Currently, veterans receive additional points on a passing grade on a competitive examination. The concurrent resolution adapts the veterans' preference to the new comparative analysis system and eliminates the prohibition on a veteran using the preference more than once.
