Amendments/Appropriation Status

The bill requires but does not contain an appropriation clause. Staff has prepared amendment **J.001** (attached) to add a provision appropriating \$8,530 cash funds from the Water Quality Control Fund and 0.1 FTE to the Water Quality Control Division in the Department of Public Health and Environment.

Bill Sponsor Amendments

Sponsor amendment L.003 (attached) changes the requirement that the Water Quality Control Commission must adopt rules, to the Commission may adopt rules. The Joint Budget Committee Staff and Legislative Council Fiscal Note Staff agree that this amendment would remove the fiscal impact of the bill.

If amendment L.003 is adopted, then J.001 should not be adopted.
