**Amendments/Appropriation Status**

The bill requires but does not contain an appropriation clause. Staff has prepared amendment **J.001** (attached) to add a provision appropriating \$2,960 cash funds from the Colorado State Titling and Registration Account of the Highway Users Tax Fund to the Department of Revenue, Information Technology Division, for FY 2012-13 to program the Department's computer systems to implement the bill. The clause further reappropriates these moneys to the Governor's Office of Information Technology to perform the programming work for the Department of Revenue. The amendment also adds a provision appropriating \$436 cash funds from the License Plate Cash Fund to the Department of Revenue, Division of Motor Vehicles for FY 2012-13 for the purchase of the special license plates from the Department of Corrections, Correctional Industries.
