Summary of Amendments Made to the Bill After the 02/33/12 Legislative Council Staff Fiscal Note Was Prepared (Amended by the House Health and Environment Committee 02/23/12)

House Bill 12-1268 will be referred back to the House Health and Environment Committee for two reasons:

- ▶ The strike below adopted by the House Health and Environment Committee on February 23, 2012 requires a General Fund appropriation in FY 2012-13 due to the need for the Department of Public Health and Environment to continue health facilities inspections until the Department of Public Safety obtains a waiver from the federal Centers for Medicaid and Medicare; and
- ▶ The substantial policy changes required to address the timing and funding associated with the Medicaid health facilities inspections.
