based in Colorado, the trailer or semitrailer is at least 10 years old. The registration does not expire until the trailer is sold or transferred. The owner notifies the department when the trailer is sold or transferred. The department will issue a report in 2014, including the cost-effectiveness of this system of registration.

**Section 3** sets the specific ownership tax at \$95.50. **Section 4** sets the registration fee at \$24.50. Of the fee, the department or authorized agent that registers the vehicle retains \$2.00, the county gets \$1.50 for the county road and bridge fund, the statewide bridge enterprise special revenue fund is credited with \$5.00, the Colorado state titling and registration account is credited with \$0.50, the license plate cash fund is credited with \$2.50, and the highway users tax fund is credited with \$13.00.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) (a) The general  
3 assembly hereby determines that the restoration of Colorado's economy  
4 is one of the most critical tasks it must consider. To that end, Colorado  
5 needs to remain competitive with the western United States and the  
6 nation. An emerging issue dealing with the registration of commercial  
7 vehicles in Colorado threatens the state's competitiveness. Under current  
8 law and regulations, interstate commercial trailers can be licensed in any  
9 state regardless of whether the owner resides in that state. Twenty-six  
10 states have created some version of a permanent commercial trailer plate  
11 for commercial trailers.

12           (b) Permanent commercial trailer plates offer several advantages  
13 to the enacting state and to trailer owners. States enjoy the reduction in  
14 workload as a permanent plate does not need to be processed yearly and  
15 most states collect higher revenues with the initial registration because of  
16 the projected term of use. The transportation industry benefits as they do  
17 not have to locate their trailers across the nation each year to replace the  
18 registration on that trailer and they can shop for the best possible pricing

1 in the many states that offer these permanent plate options. In Colorado,  
2 the cost of commercial trailer registration is significantly higher than  
3 other states.

4 (2) The general assembly finds that there has been a decrease in  
5 both interstate truck and trailer registrations in Colorado over the past five  
6 years. The Colorado transportation industry reports a significant reduction  
7 not only in registrations and sales of commercial vehicles and trailers but  
8 the loss of thousands of jobs as well. The general assembly therefore  
9 seeks to create a competitive process for the registration of interstate  
10 commercial trailers in Colorado to accomplish two major goals by making  
11 the state competitive with other states:

12 (a) First, to generate new revenue for Colorado by drawing, to  
13 Colorado, registrations from other states with a permanent trailer  
14 registration option; and

15 (b) Second, to reduce the number of currently registered interstate  
16 commercial trailers that leave Colorado for another state by creating a  
17 permanent registration for Colorado.

18 (3) The general assembly finds that this legislation begins to  
19 address major policy issues dealing with the transportation industry in  
20 Colorado and helps to take a small step towards making Colorado  
21 competitive in the interstate transportation industry. This legislation  
22 honors the reality of our current budget situation in Colorado while  
23 moving into program options that both generate new revenue for  
24 Colorado and help to retain current revenue from the trailer registrations.
