The bill makes various technical and nonsubstantive changes to elections laws. Current law is amended to alter or clarify elections-related deadlines (including **sections 13, 15, 16, 17, 32, and 40**), update procedures in light of modern elections practices or technology (including **sections 5, 28, and 29**), correct, streamline, or harmonize laws (including **sections 14, 19, 30, 34, 35, 37, 38, 39, 41, and 42**), repeal redundant provisions (**section 8**), and recognize the existence of more than 2 major political parties (including **sections 7, 9, 12, 21, 24, 25, and 31**).

Further:

- ! **Section 1** adds tribal identification to the list of acceptable elector identification.
- ! When an elector has provided both an address of record and a deliverable mailing address, **section 2** requires a county clerk and recorder to use the latter for elections-related communication.
- ! **Section 3** makes gender an optional response for a person registering to vote.
- ! In addition to making an in-person request to submit a change of address, **section 4** allows an elector to mail such request and aligns the time within which such request must be executed with the deadlines for submitting a mail-in ballot request.
- ! Current law is silent as to the ability of a county clerk and recorder to cancel a voter registration application after an applicant has been apprised that his or her application is incomplete. **Section 6** allows county clerk and recorders to cancel such deficient applications after 2 years.
- ! **Section 10** raises from \$500 to \$1,000 the fees to file as an unaffiliated candidate for president or vice president of the United States or congress.
- ! **Sections 11, 18, 20, and 22** expand a candidate's permissible use of a nickname on a ballot from primary elections to all elections, if he or she regularly uses the nickname and if it does not contain any words of the name of a major political party.
- ! Currently, only county clerk and recorders may designate student election judges. **Section 23** broadens this provision to allow any designated election official to use student election judges.
- ! In order to make state law consistent with federal law, **sections 26 and 27** allow any person to assist voters who need assistance.
- ! Under **section 33**, an eligible elector may request his or her ballot in-person after the ballot has been printed but prior to it being mailed.

! **Section 36** allows an elector to obtain a mail ballot by making an in-person request after it has been printed but before it is mailed.
