- 2

SECTION 1. Legislative declaration. (1) The general assembly

- 3 hereby finds and declares that:
- 4 (a) Content creation for film, television, games, and advertising
- 5 is an important and growing international business and one of America's
- 6 leading exports;

(b) Colorado was once a leader in the film and television business
 and has since seen its market share and number of people employed in the
 industry radically decline;

- 4 (c) The decline is traceable to the implementation of incentives in
 5 sister states which have left Colorado in a noncompetitive position;
- 6 (d) Colorado's once formidable infrastructure for content creation
 7 is rapidly eroding and in danger of collapse;

8 (e) Content creation will have a positive impact on Colorado's 9 economy, provide jobs for our citizens who graduate from our schools' 10 film programs, and provide a skilled labor training ground for many other 11 workers; and

12 (f) Film and television production is a major stimulus to13 Colorado's tourism industry.

(2) The general assembly further finds and declares that it is the
desire of the legislature to implement an incentive program that will be
competitive with sister states' programs, and House Bill 12-1286 is
intended to remedy this situation.
