- ! Law enforcement agencies and fire departments;
- ! A licensed ambulance or emergency medical service;
- ! School districts or schools;
- ! Agencies of a city, county, city and county, special district or other political subdivision of the state;
- ! Agencies of an Indian tribe;
- ! Agencies of the state or federal government; and
- ! Persons or entities eligible to hold an authorization in the public safety radio pool pursuant to rules of the federal communications commission.

The bill defines the purposes of the authority to include:

- ! Advising the governor and the general assembly of the development, maintenance, upgrade, and operation of the system;
- ! Representing its members in matters concerning technology, rules, spectrum allocations, and radio frequency licensing;
- ! Identifying and reporting on operational and capital infrastructure and technology needs of the system;
- ! Identifying and reporting on funding options for system sustainability; and
- ! Soliciting and receiving appropriations, grants, and other moneys to expand, upgrade, and operate the system.

The bill also creates the consolidated communications fund to hold moneys received by the authority. The authority may invest or deposit moneys in the fund.

The bill also specifies that the income and property of the authority are exempt from all state and local taxes and assessments.
