it is situated and all fixtures and contents thereof, every vehicle, and any real property that is used for the purpose of trafficking in adults, trafficking in children, or coercion of involuntary servitude shall be deemed a class 1 public nuisance and thereby subject to seizure, confiscation, and forfeiture. Current law requires an escort service to provide to each escort patron a written contract for services. The bill requires the contract to include a notice that describes statutory provisions concerning human trafficking and slavery.

Currently law states that any person who has been adjudicated for an offense involving unlawful sexual behavior is not eligible to petition for the expungement of any juvenile record. The bill creates an exception to this ineligibility for a person who demonstrates to the satisfaction of the court that at the time he or she committed the offense, he or she had been sold, exchanged, bartered, or leased by another person for the purpose of performing the offense, or was coerced by another person to perform the offense.

A person less than eighteen years of age who has been trafficked or coerced into involuntary servitude by an offender is eligible to receive restitution from the offender as part of the offender's sentence for such an offense.
