Summary of Legislation

As amended by the House Judiciary Committee, this *reengrossed* bill narrows the title of the bill to the subject of part-time deputy district attorneys (DAs). The bill allows a DA to appoint one or more part-time deputy DAs, who do not practice criminal defense in the jurisdiction or are employed by the Colorado District Attorneys Council, to fulfill the duties of the DA without county commissioner approval. It removes a requirement that a part-time DA be paid by the county he or she serves, and allows this cost to be shared within the judicial district.

Local Government Impact

The bill allows a DA to hire part-time DAs without obtaining county commissioner approval and to allocate the costs of part-time DAs among the judicial district. The fiscal note assumes these provisions may create efficiencies for impacted counties.
