make or communicate responsible decisions concerning his or her person or affairs (at-risk adult) should report that fact to a county department of social services (county department) or a local law enforcement agency.

Under the bill, on and after July 1, 2014, certain professionals (mandatory reporters) who observe the abuse or exploitation of a person who is 70 years of age or older (at-risk elder) or who have reasonable cause to believe that an at-risk elder has been abused or has been exploited and is at imminent risk of abuse or exploitation are required to report such fact to a law enforcement agency within 24 hours after making the observation or discovery. A mandatory reporter who fails to report commits a class 3 misdemeanor.

Within 24 hours after receiving a report of abuse or exploitation of an at-risk elder, a law enforcement agency shall notify the at-risk elder's county department and district attorney's office of the report. The law enforcement agency shall complete a criminal investigation when appropriate. Upon completion of an investigation, the law enforcement agency shall provide a report of the investigation to the at-risk elder's county department and a district attorney's office.

A person who reports an incident of abuse or exploitation to a law enforcement agency is immune from a civil action or criminal prosecution if the report was made in good faith. A person who knowingly makes a false report commits a class 3 misdemeanor.

The new reporting duty does not increase the professional duty of care, if any, that is owed to an at-risk elder by a mandatory reporter.

The bill adds physical therapists, emergency medical service providers, chiropractors, and clergy to the list of professionals who are currently urged to report the mistreatment, self-neglect, or exploitation of an at-risk adult. These professions are also included within the new list of mandatory reporters.

A person who exercises undue influence to convert or take possession of an at-risk elder's money, assets, or other property commits statutory theft.

On or before January 1, 2014, the peace officers standards and training board (P.O.S.T. board) shall create and implement a training curriculum to prepare peace officers to recognize and address incidents of abuse and exploitation of at-risk elders. On and after January 1, 2015, each county sheriff and each municipal law enforcement agency of the state shall employ at least one peace officer who has successfully completed the training curriculum. The P.O.S.T. board may charge a fee to each peace officer who enrolls in the training curriculum. The amount of the fee shall not exceed the direct and indirect costs incurred by the P.O.S.T. board in providing the curriculum.

On and after January 1, 2014, the state department of human services (state department) shall implement a program to generate awareness among:

- ! The residents of the state regarding the mistreatment, self-neglect, and exploitation of at-risk adults;
- ! The professionals who are urged to report the mistreatment, self-neglect, or exploitation of an at-risk adult; and
- ! Mandatory reporters.

On or before December 31, 2016, the state department shall prepare and deliver to the joint budget committee and to the health and human services committee of the senate; the health, insurance, and environment committee of the house of representatives; and the public health care and human services committee of the house of representatives, or to any successor committee, a report concerning the implementation of mandatory reports of abuse and exploitation of at-risk elders.

Under current law, for the purposes of enhanced penalties for offenses committed against at-risk adults, an at-risk adult is defined as any person 60 years of age or older or any person 18 years of age or older who is a person with a disability. The bill changes this definition to raise the minimum age of 60 years of age to 70 years of age.

The bill repeals provisions concerning protection against financial exploitation of at-risk adults.

The bill repeals the elder abuse task force.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds that:

4 (a) Colorado is one of only three states that do not require certain
5 professionals to report the abuse or exploitation of at-risk elders;

6 (b) Mandatory reporting of abuse or exploitation of at-risk elders
7 should be implemented in Colorado as soon as possible to address this
8 shortcoming in our laws and provide for criminal penalties for mandatory
9 reporters who fail to report, provided however there shall not be civil
10 liability for damages proximately caused by a failure to report such as
11 those allowed under section 19-3-304 (4), Colorado Revised Statutes;

12 (c) Although reports and investigations of alleged misconduct are
13 important components of the state's system of adult protective services,
14 meaningful and lasting assistance to elders is hindered where services are

1 lacking;

2 (d) Colorado's elderly population is steadily increasing, with the
3 state's population of persons aged 70 years or older expected to increase
4 by twenty-eight percent by 2017, and by one hundred forty-two percent
5 by 2032;

6 (e) Colorado's system of adult protective services is already
7 grossly underfunded; and

8 (f) In the absence of additional funding, the implementation of
9 mandatory reporting of abuse and exploitation of at-risk elders may
10 exacerbate the problems faced by adult protective services personnel by
11 increasing their individual caseloads.

12 (2) The general assembly further finds that:

13 (a) During the 2012 regular session, the general assembly passed,
14 and the governor thereafter signed into law, Senate Bill 12-078, which
15 created the elder abuse task force and charged the task force with certain
16 duties;

17 (b) The task force met as required during the 2012 interim and has
18 submitted its final report to the general assembly;

19 (c) As required by Senate Bill 12-078, the final report of the task
20 force includes many recommendations concerning:

21 (I) The reporting by certain professionals of instances of
22 mistreatment, exploitation, or self-neglect of at-risk adults; and

23 (II) The administration of adult protective services by county
24 departments of social services.

25 (3) Now, therefore, the general assembly hereby declares that, in
26 addition to the actions taken within this act to address specific
27 recommendations of the task force, the general assembly expects that

1 either the current general assembly or a future general assembly will take
2 further actions, as follows:

3 (a) The general assembly should take such action as is necessary
4 to implement a new data system within the state department of human
5 services to accurately measure the impact of mandatory reporting in
6 Colorado, which data system has been described and recommended by the
7 governor in his November 1, 2012, budget proposal to the joint budget
8 committee;

9 (b) The general assembly should take such action as is necessary,
10 including but not limited to the appropriation of additional moneys to
11 reduce the caseload ratio of county social workers to a maximum of
12 twenty-five cases per social worker;

13 (c) The general assembly should identify means by which
14 additional moneys may be allocated to county departments of social
15 services to be used by the departments to secure adult protective services
16 for at-risk adults;

17 (d) The general assembly should study the need for, and potential
18 means of implementing, a public guardianship and conservatorship
19 program, as described in the report of the task force;

20 (e) The general assembly should study and implement specific
21 recommendations for combating financial exploitation of elder adults;

22 (f) The general assembly should identify assured and sustainable
23 sources of funding to support the enforcement of mandatory reporting and
24 the overall adult protective services infrastructure; and

25 (g) The general assembly is encouraged to examine the impact of
26 this act during the 2017 regular session.

27 **SECTION 2.** In Colorado Revised Statutes, **add** 18-6.5-108 as

1 follows:

2 **18-6.5-108. Mandatory reports of abuse and exploitation of**
