HOUSE
Amended 2nd Reading
April 25, 2013

The 113th Congress is considering legislation, cited as the "Marketplace Fairness Act of 2013" (federal act) that, if enacted, grants states the authority to compel certain out-of-state retailers with gross annual receipts in total remote sales of more than \$1,000,000 (remote sellers) to collect and remit sales tax on behalf of the state and local taxing jurisdictions at the time of a transaction when the item purchased will be delivered in the state. Local retailers are already required to collect sales tax on behalf of the state and local taxing jurisdictions at the time of a local transaction. The federal act specifies that states are only granted this authority after certain minimum simplification requirements are met. The bill meets those minimum simplification requirements by:

- ! Establishing remote sales as a part of existing sales tax law;
- ! Specifying that only the state's sales tax base, not a local sales tax base, will apply to all remote sales;
- ! Requiring that the department of revenue be responsible for all state and local sales tax administration, return processing, including the establishment of a single form for returns, and audits for remote sales;
- ! Establishing the sourcing definition provided in the federal act in order to properly source all interstate sales to the state;
- ! Requiring the department of revenue to provide information to remote sellers that indicates the taxability of products and services along with any product and service exemptions from sales tax in the state;
- ! Requiring the department of revenue to provide remote sellers a sales tax rate database and a database of local taxing jurisdiction boundaries;
- ! Requiring the department of revenue to provide, or to contract with certified software providers to provide on its behalf, software to remote sellers, free of charge, that calculates sales taxes due on each transaction at the time the transaction is completed, files sales tax returns, and updates to reflect any tax rate changes for the state or any local taxing jurisdiction; and
- ! Providing the required relief of liability to remote sellers for errors.

The bill allows local taxing jurisdictions governed by a home rule charter to opt in by passing an ordinance or resolution accepting the state's administration and distribution of its local sales tax on remote sales that is collected and remitted by remote sellers in conformance with the provisions of the bill.

1 *Be it enacted by the General Assembly of the State of Colorado:*

1 **SECTION 1. Legislative declaration.** (1) The general assembly
2 hereby finds and declares that:

3 (a) It is established in the state's constitution that local taxing
4 jurisdictions governed by a home rule charter generally have the authority
5 to regulate taxation within their jurisdiction; and

6 (b) It is therefore the general assembly's intent to allow local
7 taxing jurisdictions governed by a home rule charter to opt into this act by
8 passing an ordinance or resolution accepting the state's administration and
9 distribution of its local sales tax on remote sales that is collected and
10 remitted by remote sellers in conformance with the provisions of House
11 **Bill 13-1295.**

12 **SECTION 2.** In Colorado Revised Statutes, 39-26-102, **amend**
13 (5.7), (8), and (9); and **add** (5.6), (7.6), and (7.7) as follows:

23 ~~houses~~ "LOCAL TAXING JURISDICTION" MEANS A CITY, TOWN,

1 IS MADE AT THE LOCATION WHERE THE ITEM SOLD IS RECEIVED BY THE

3 DELIVERY THAT THE PURCHASER FURNISHES TO THE RETAILER. WHEN NO
4 DELIVERY LOCATION IS SPECIFIED, THE REMOTE SALE IS SOURCED TO THE
