Current Appropriations Clause in Bill

The bill includes an appropriation clause that appropriates a total of \$508,968 and 3.3 FTE FY 2013-14 including the following:

- \$98,519 General Fund and 1.0 FTE to the Division of Labor in the Department of Labor and Employment;
- \$364,099 General Fund and 2.0 FTE to the Office of the State Architect in the Department of Personnel; and
- \$46,350 reappropriated funds and 0.3 FTE to the Department of Law for the provision of legal services.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2013-14 based on the March 2013 Office of State Planning and Budgeting revenue forecast. The budget package allocates all but approximately \$9.0 million of General Fund revenues projected to be available. Pursuant to S.B. 13-236, this \$9.0 million General Fund will be transferred to the Colorado Water Conservation Board (CWCB) Construction Fund. This bill requires a General Fund appropriation of \$462,618 for FY 2013-14 and thus will reduce the transfer to the CWCB Construction Fund by that amount.
