Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides \$100,000 General Fund to the Department of Health Care Policy and Financing in FY 2013-14.

Points to Consider

General Fund Impact

1. The Joint Budget Committee introduced a budget package for FY 2013-14 based on the March 2013 Office of State Planning and Budgeting revenue forecast. The budget package appropriates all but approximately \$8.0 million of General Fund revenues projected to be available, less a statutorily required five percent General Fund reserve. This bill includes a General Fund appropriation of \$100,000 for FY 2013-14.
