Current Appropriations Clause in Bill

The bill does not include an appropriation clause for FY 2013-14, and one is not required if the bill is enacted prior to the introduction of the FY 2013-14 Long Bill. If the bill is not enacted prior to the introduction of the FY 2013-14 Long Bill, it will require an appropriation clause transferring the funding and FTE associated with the life safety code inspections of health facilities from the Department of Public Health and Environment to the Department of Public Safety.
