business. The bill clarifies that, subject to state constitutional and statutory requirements that require payment of just compensation and otherwise govern the exercise of the power of eminent domain, companies that operate pipelines that convey oil, gasoline, or other petroleum or hydrocarbon products are pipeline companies granted the right of eminent domain. A pipeline company must also comply with all applicable laws and regulations, including, but not limited to, federal pipeline safety regulations.

1 *Be it enacted by the General Assembly of the State of Colorado:*
