As a result of amendments made to the federal "Unemployment Tax Act" and "Social Security Act" by the federal "Trade Adjustment Assistance Extension Act of 2011", in order to keep Colorado's unemployment insurance system in compliance with federal law, the bill makes the following changes to the state unemployment insurance laws:

- ! Requires that employer accounts be charged when an individual is erroneously paid benefits if the overpayment occurred as a result of an employer's failure to provide timely information and the division of unemployment insurance establishes a pattern of this behavior by the employer; and
- ! Increases the penalty on fraudulent overpayments and requires 23% of the penalty to be deposited in the unemployment compensation fund and the remainder into the unemployment revenue fund.
