

**UPDATED SUMMARY  
SENATE BILL 14-182**

**Second Regular Session - Sixty-ninth Colorado General Assembly**

---

*This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.*

Under current law, the minutes of a meeting of a local public body during which an executive session is held are required to reflect the topic of the discussion at the executive session. In the case of a meeting of a local board of education (board) during which an executive session is held, the bill additionally requires the minutes to reflect the amount of time each topic was discussed while the board was meeting in executive session. The bill requires the minutes along with the amount of time each topic was discussed to be posted on the web site of the board not later than 10 business days following the meeting at which the minutes are approved by the board. If the board of education does not maintain a web site, the minutes must be published in the same manner as the board regularly provides public notice. The bill requires the board to comply with all other requirements pertaining to the holding of a meeting in executive session.

The bill further requires the record of an executive session of a board that is electronically recorded, including the actual electronic recording, to be retained for at least ~~24 months~~ *90 days* after the date of the executive session.
