

**UPDATED SUMMARY  
SENATE BILL 14-039**

**Second Regular Session - Sixty-ninth Colorado General Assembly**

---

*This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.*

The bill allows an emergency medical service provider to provide preveterinary emergency care to dogs and cats to the extent the provider has received commensurate training and is authorized by the employer to provide the care. If an employer of emergency medical service providers opts to allow its employees to provide this care, the bill requires the employer to specify in the employer's policies the circumstances under which the care may be provided.
