The bill gives the peace officers standards and training board (P.O.S.T. board) the authority to promulgate rules regarding:

- ! Certification of inspectors of vehicle identification numbers;
- ! Annual in-service training requirements for certified peace officers and the suspension of certification for the failure to receive annual in-service training;
- ! Any necessary or proper rules that carry out the provisions and purposes of the P.O.S.T. board; and
- ! Procedures for reinstatement of suspensions of certification.

The bill raises the maximum fee for certification and skills examinations from \$125 to \$150.

Under current law, the P.O.S.T. board can provide grants to local governments and colleges and universities to fund training programs. The bill also allows grants to nonprofit organizations.

The bill allows the P.O.S.T. board to deny certification to anyone who is convicted of a municipal violation that is the equivalent of any of the state law violations that permit denial of certification.
