Points to Consider

General Fund Impact

The Joint Budget Committee (JBC) has proposed a supplemental budget package for FY 2013-14 based on the December 2013 Office of State Planning and Budgeting revenue forecast. The supplemental budget package allocates all but approximately \$0.7 million of General Fund revenues projected to be available; under current law, this \$0.7 million will be transferred to the Colorado Water Conservation Board Construction Fund. The JBC has included as part of its FY 2013-14 supplemental budget package a \$7,275,604 General Fund reduction for implementation of this bill.
