Current Appropriations Clause in Bill

The bill neither requires nor contains an appropriation clause for FY 2014-15.

Points to Consider

Future Fiscal Impact

Although this bill would not require a cash fund appropriation for FY 2014-15, it is projected to increase cash fund expenditures by the Department of Personnel by up to \$3,000 in FY 2014-15 and beyond. It is assumed that this can be absorbed within existing appropriations.
