The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating \$500,000 General Fund to the Creative District Community Loan Fund for FY 2014-15. These moneys are further appropriated to the Office of Economic Development and International Trade to establish a creative district community loan fund and corresponding loan program. Pursuant to direction from the Chairmen of the Appropriations Committees, this amendment includes a provision to access the \$20.0 million General Fund that has been set aside in the Joint Budget Committee's FY 2014-15 budget package to fund 2014 legislation.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2014-15 based on the March 2014 Office of State Planning and Budgeting revenue forecast. The budget package allocates \$20.0

million General Fund to be available to fund 2014 legislation; if the full \$20.0 million is not used to fund legislation, it will be credited to the Controlled Maintenance Trust Fund.
