Summary of Legislation

Under current law, a local government may not require or prohibit the use or sale of specific types of plastic materials or products, or restrict or mandate containers, packaging, or labeling for any consumer product. This bill removes this restriction.

Local Government Impact

The bill authorizes a local government to either prohibit or require the use of specific plastic materials within their jurisdictions. A local government that elects to regulate plastic will have related expenses to develop and enforce an ordinance.

Effective Date

The bill takes effect August 6, 2014, if the General Assembly adjourns on May 7, 2014, as scheduled, and no referendum petition is filed.
