CONCERNING PROTECTING HUMAN LIFE BEGINNING AT CONCEPTION.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://www.leg.state.co.us/billsummaries.)

The bill prohibits abortion and makes a violation a class 3 felony. The following are exceptions to the prohibition:

A licensed physician performs a medical procedure designed or intended to prevent the death of a pregnant mother, if the physician makes reasonable medical efforts under the circumstances to preserve both the life of the mother and the life of her unborn child in a manner...
consistent with conventional medical practice; and

A licensed physician provides medical treatment to the mother that results in the accidental or unintentional injury or death to the unborn child.

The pregnant mother upon whom an abortion is performed or attempted is not subject to a criminal penalty. The sale and use of contraception is not prohibited by the bill. A conviction related to the abortion prohibition constitutes unprofessional conduct for purposes of physician licensing.

Be it enacted by the General Assembly of the State of Colorado:
