Conservancy districts may be formed by a local election to reduce flood risk, conserve or develop water resources, or participate in the development of parks or recreational facilities. **Section 1** of the bill clarifies that when a director no longer resides within a conservancy district, a vacancy is created on the district's board of directors.

HOUSE
Amended 2nd Reading
February 21, 2014

The remainder of the bill applies only to the Pueblo conservancy district. **Section 1** increases the board of directors from 3 to 7 directors, makes the existing 3 directors at-large representatives, and specifies that the 4 new directors represent, respectively, the Colorado city metropolitan district (whose initial term is 2 years), the city of Pueblo (whose initial term is 3 years), the Pueblo West metropolitan district (whose initial term is 4 years), and those portions of Pueblo county not already represented (who serves a full 5-year term). All new vacancies must be filled by election rather than appointment by a district court judge.

Section 2 specifies that the Pueblo conservancy district may spend district revenues, including from its construction and maintenance funds, for the following purposes, in the following order of priority:

- ! First, for the maintenance, repair, replacement, or improvement of the district's existing flood control levees;
- ! Second, for flood mitigation projects located in whole or part within the district, whether capital or otherwise, in the affected watershed upstream of the district's existing flood control levees; and
- ! Third, for flood mitigation projects located in whole or part within the district, whether capital or otherwise, in the affected watershed downstream of the district's existing flood control levees.
