1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds and declares that the privacy of Colorado citizens is of the  
4 utmost importance, and protecting their privacy is a top priority for the  
5 lawmakers of this state. The notion of privacy has vastly changed with  
6 technological advancement, developments such as "the cloud", and the  
7 exponential growth of social media popularity. Although this has changed  
8 the public perception of privacy, it remains imperative that personal  
9 information stay confidential unless otherwise chosen on an individual  
10 basis. The privacy of our children is critically important, especially in  
11 regard to their K-12 educational experience and the student data collected  
12 during this time. Schools are a safe environment, and an important  
13 component of maintaining security is ensuring student privacy and  
14 protecting student data. Despite the importance of protecting the privacy  
15 of our children, Colorado law is not currently clear on how student data  
16 is to be handled. As such, transparency in data collection and security is  
17 crucial. It is critical that parents have the opportunity to understand how  
18 student data is collected, where the data is stored, and how and why the  
19 data is utilized.

20           (2) For this reason, the general assembly finds that it is the duty  
21 of the Colorado department of education to publish an index of utilized

1 data elements as well as privacy policies regarding accessibility to the  
2 data and notices of student and parent rights.

3 (3) Furthermore, the general assembly finds that the department  
4 of education must have a detailed data security plan regarding the  
5 protection and confidentiality of all Colorado student data, whether the  
6 data is stored inside or outside the state, and must create a data security  
7 template for school districts to use to create their own data security plans.

8 **SECTION 2.** In Colorado Revised Statutes, **add** 22-2-309 as  
9 follows:
