revenues, it must include at least one representative of all the district charter schools on the planning committee, and if the school district is considering submitting, or is required by a petition to submit, a ballot question for additional local revenues, it must include the charter school in the discussions.

A charter school may ask its authorizing school district to include the charter school in a ballot question for the school district to authorize additional local revenues or to submit a ballot question solely for the charter school. The charter school must submit to the school district an operating revenues plan that explains the charter school's operating revenues needs. The school district will decide whether to prioritize the charter school's needs and include the charter school in a ballot question. If it does not include the charter school in a ballot question, the school district must give the charter school a written statement of the reasons for its decision. If the school district includes the charter school in a district ballot question, the school district and the charter school must agree on how to apportion the additional local revenues and the costs of submitting the question. If the school district submits a ballot question for the sole benefit of the charter school, the charter school must pay the costs of submitting the question and will receive all of the additional local revenues that are approved.

The bill specifically authorizes a school district to submit a ballot question on behalf of a charter school to authorize additional local revenues. The amount of additional local revenues received is subject to the statutory limitations for other ballot questions to authorize additional local revenues.

8 (4) NOTWITHSTANDING THE PROVISIONS OF SECTION 22-30.5-118
9 (6) AND ANY PROVISIONS OF THIS SECTION TO THE CONTRARY, A SCHOOL
10 DISTRICT SHALL NOT IMPOSE A MILL LEVY PURSUANT TO THIS SECTION TO
11 BENEFIT A CHARTER SCHOOL UNLESS THE CHARTER SCHOOL AND THE
12 SCHOOL DISTRICT ENTER INTO A CONTRACT SPECIFYING THAT THE
