Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

Current law is silent on when and how fees for court filings, published notices, and other costs of foreclosure are to be calculated and paid and, if overpaid, refunded. The bill specifies that all costs and fees charged to a borrower must be accurately accounted for and that any overpayments based on prepayments or estimates must be promptly

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.
