another manufacturer as long as the federal excise tax on the wine has already been paid. A winery, limited winery, or wholesaler that obtains a wine packaging permit must take possession of the tax-paid wine produced by another manufacturer, package it, then return it to the original manufacturer or to the manufacturer's licensed wholesaler. If the wholesaler that packages tax-paid wine is the original manufacturer's licensed wholesaler, the wholesaler is not required to return the packaged wine to the manufacturer.

A winery or limited winery that packages tax-paid wine cannot sell or distribute the packaged wine to a licensed retailer or directly to a consumer.

The bill authorizes the department of revenue, acting as the state licensing authority for alcohol beverage licenses, to issue wine packaging permits, set permit application fees, and assess annual permit fees.
