- ! Discuss and determine needs across key industries and occupations including challenges and opportunities in developing and growing relevant talent pipelines;
- ! Ensure that the talent pipeline development infrastructure includes certain elements;
- ! Utilize sector partnerships to advise the development of career pathway programs for critical occupations in key industries and to ensure the coordination of education and workforce initiatives to develop a strong talent pipeline; and
- ! Utilize existing measures and data systems to improve systems alignment and inter-agency communication.

In working collaboratively, the state council, in partnership with the department of higher education, the department of education, the department of labor and employment, and the Colorado office of economic development shall coordinate the production of an annual Colorado talent report to include specified information and recommendations.

The heads of the department of higher education, the department of education, the department of labor and employment, and the Colorado office of economic development are required to include the recommendations from the state council, and any comments they may wish to add concerning the recommendations, to the house of representatives and senate committees of reference with jurisdiction over business issues by January 1, 2015.

The bill authorizes the state council to seek and accept gifts, grants, or donations from private or public sources for the purposes of the state council. The bill creates the talent pipeline cash fund in the state treasury and specifies that the fund consists of any moneys that the state council receives from gifts, grants, or donations.
