

**UPDATED SUMMARY
HOUSE BILL 15-1212**

First Regular Session - Seventieth Colorado General Assembly

This summary applies to the reengrossed version of this bill as introduced in the second house. It does not reflect any amendments that may be subsequently adopted. This summary reflects only the main points of the legislation.

In 2010, a law was enacted that allowed the state board of land commissioners (board) to convey land to units of local government if the conveyance would add value to adjoining or nearby state trust property, benefit board operations, or comply with local land use regulations. When enacted, the authority was set to repeal on July 1, 2015. The bill repeals that automatic repeal and makes the board's authority permanent.
