The bill reenacts the implementation of enhanced unemployment insurance compensation benefits for eligible unemployment insurance claimants that expired in accordance with a self-repealer clause in 2014. An approved training program includes vocational training, a registered

apprenticeship, or an entrepreneurial training program. The availability of the enhanced unemployment insurance compensation benefits will expire in accordance with a self-repealer clause on July 1, 2018.

Be it enacted by the General Assembly of the State of Colorado:
